Summit® Smart FS38X E Gas Grill (Natural Gas)

Tap, scroll, and swipe your way to perfectly grilled food with the Summit® Smart Gas Grill with high-definition touchscreen. Ignite the grill with the touchscreen, then enjoy the freedom to control it from anywhere with your smartphone. Grill without guesswork with SmartControl™ technology that shows you where to place food and adjusts temperature levels precisely. Monitor cooking progress remotely with included smart probes and your smartphone – view graphs, get alerts when food is ready to flip, finished cooking, and ready to serve. Access guided recipes and more on the touchscreen or Weber Connect app, with new features and functionality updated regularly. In addition to cutting-edge tech, this grill is loaded with features that take outdoor cooking and entertaining to a higher level. Give steaks an edge-to-edge caramelized crust with the top-down infrared broiler. Explore new techniques with the integrated rotisserie or transform your grill into a griddle with a rust-resistant griddle insert (sold separately). Or turn your grill into a pizza oven, wok, and more with custom-fit grillware (sold separately) using the WEBER CRAFTED cooking grates and frame kit.

Dimensions**

Width: 74.70" W in
Height: 52.50" H in
Depth: 27.00" D in

Features:

- Touchscreen or smartphone controlled grilling experience
- High-definition touchscreen puts controls at your fingertips
- Burner control buttons let you adjust heat with a tap
- Touchscreen ignition lights burners quickly and easily
- SmartControl™ technology takes the guesswork out of grilling
- Control With A Tap: Ignite the grill, set precise temperatures, select cooking method, monitor cooking progress, and more at the grill or away with high-definition touchscreen, smartphone control, or burner control buttons.
- Grill Without Guesswork: SmartControl™ technology lets you choose cooking method and the touchscreen or smartphone shows you where to place your food, sets a precise temperature, offers instructions, and sends alerts for next steps.
- Create Steakhouse-Style Crusts: Top-down infrared broiler directs blazing high heat onto the top of meat, searing the surface evenly and creating an edge-to-edge caramelized crust with juicy insides.
- Turn To Perfection: Heavy-duty, integrated rotisserie (included) rotates multiple large cuts of meat under the top-down infrared broiler to crisp and brown evenly while locking in juices.
- Add Smokey Taste: Large, stainless-steel smoker box (included) lets you achieve wood-smoked flavor on a gas grill. Box can be placed anywhere on the grill or removed when not in use.
