Q 2800N+ Gas Grill with Stand (Liquid Propane)

Grill a full variety of foods on the go with the versatile Q 2800N+ gas grill with stand, featuring an exclusive Plus burner (+) that lets you adjust the heat to bake and roast low and slow at 250°F or fire it up to 700°F for high heat searing. It heats up quickly and cooks evenly with porcelain-enameled cast-iron grates that hold heat for impressive searing. Add a griddle insert (sold separately) and create breakfast favorites like bacon, eggs, pancakes, and more. Enjoy full-size performance in a lightweight, compact design that easily fits on any porch or balcony.

**Midnight Black
Dimensions**

Width: 30.00" W in
Height: 42.80" H in
Depth: 19.70" D in

Features:

- Wide temperature range 250° - 700°F provides more ways to grill
- Plus burner (+) lets you reach and maintain extra high or low temps
- Large grilling surface lets you cook multiple foods at once
- High-dome lid accommodates larger foods like whole chickens
- Griddle insert (sold separately) expands cooking techniques
- Grill More Ways: Wide temperature range from 250–700°F gives you more ways to grill—from roasting low and slow to high-heat searing—and everything in between.
- Dial In the Heat: Plus burner (+) boosts heat for high-heat searing when used with the main burner or when used alone, it maintains low temperature for baking or slow roasting.
- Fit More Food: Large grilling surface lets you cook multiple foods at once. Fits up to 12 burgers or two full racks of ribs.
- Grill Larger Cuts: High-dome lid lets you cook larger foods like whole chickens and roasts.
- Clean With Ease: Front-facing grease tray enables quick and easy grease disposal.
- Pack Side Tables Inside: Side tables can be detached and stowed within the cradle of the grill.
