Spirit® E-425C Gas Grill (Liquid Propane)

Grill food that tastes better than ever on the reinvented 4-burner Spirit® E-425C Gas Grill with Sear Zone. Create bold, flavorful sear marks on meat, fish, and vegetables with two red Boost Burner knobs that unleash 40% more power in the Sear Zone. Ignite each individual burner easily with one hand with Snap-Jet Ignition and control the heat precisely with a full range of temperatures from high to low and everything in between. Move the grill easily with heavy-duty swivel casters that lock securely to keep the grill in place while cooking. Make the most of your space by adding a variety of Weber Works™ accessories that drop into the right-side table or snap onto both side rails.* Heavy-duty porcelain-enameled cast-iron grates flip over to fit Weber Crafted® grillware, giving you ultimate cooking versatility to transform your grill with a griddle, pizza stone, crosshatch sear grate, and more.*

Dimensions
Width: 51.8 in
Height: 46.3 in
Depth: 25.5 in

Features:

- **Boost Heat in the Sear Zone:** Turn the red Boost Burner knobs all the way to Boost Mode for 40% more power that cranks up the heat in the largest Sear Zone in its class and creates bold, flavorful sears.
- **Move With Ease:** Swivel Casters provide a full range of motion to make moving easy and lock securely to keep the grill in place while cooking.
- **Maximize the Side Table:** Weber Works™ Side Table lets you convert the space to a convenient prep and serve station by adding drop-in accessories (sold separately) such as a Basin with Cutting Board Lid, Prep and Serve Kit, and more.
- **Keep Workspace Clear:** Weber Works™ Side Rails hold snap-on accessories (sold separately) such as a Bottle Holder, extra Tool Hooks, and Flexible Lighting to keep the side table clear for prepping and serving.
- **Flip the Grates and Cook More Ways:** Cooking grates flip over to hold a variety of Weber Crafted® custom-fit grillware (sold separately), such as a Pizza Stone, Grilling Basket, and Griddle.
- **Light with One Hand:** Snap-Jet Ignition lets you easily light individual burners with a one hand. Simply by turn the knob until you hear it snap and ignite.
