Amana® Dishwasher with Midnight Interior

This Amana® Dishwasher cleans up. The Midnight Interior keeps more than your dishes looking sharp. A Water Repellant Silverware Basket dries silverware better. The Triple Filter Wash System helps you skip the pre-rinse, all while being ENERGY STAR® Certified to help you conserve energy and pay for less utilities.

Features:

- **Midnight Interior:** Midnight Interior ensures your dishes aren't the only things that stay looking sharp.
- **Water Repellent Silverware Basket:** Ditch drip drying with a water repellent silverware basket that dries better.
- **Triple Filter Wash System:** The Triple Filter Wash System helps catch food soils during cycles so you can skip the pre-rinse song and dance.
- **ENERGY STAR® Certified:** This Amana® dishwasher is ENERGY STAR® Certified to help you conserve energy and pay for less utilities.
- **Quick Wash Cycle:** There's no need to get out the "back-up" dishes when the Quick Wash Cycle can clean light loads fast.
- **Bulk Rinse Aid Dispenser:** Just fill the Bulk Rinse Aid Dispenser with your drying agent and let it help improve the drying process for an average of 115 cycles*.
- **High-Temperature Wash Option:** A heater boosts the water temperature during the wash cycle with the High-Temperature Wash Option. Plus, an extra rinse is added to help get those dishes clean.
- **Heated Dry Option:** The Heated Dry Option uses an internal heater to remove excess moisture, giving you a more complete dry.
- **Overfill Detect:** Help stop messy situations with Overfill Detect. A float sensor in the unit will detect if too much water is in the tub and cut the power to the inlet fill valve.
- **12-Place Setting Capacity:** When it's your turn to do the dishes, a 12-Place Setting Capacity gives you the space you need.
- **Slim Control Console with Pocket Door:** Bring clean lines to the kitchen with a slim console that's easy-to-clean and offers quick access to settings without adding extra bulk.
- **59 dBA:** This Amana® Dishwasher offers a 59 dBA rating so you can clearly hear tonight's game above the sound of your dishwasher.
- **Vented Dry:** Vented Dry uses an open vent to release humid air to aid in the drying process while the heating element helps evaporate water off of the dishes.
