1.6 Cu. Ft. AOver-the-Range Microwave with Add 0:30 Seconds

With our 1.6 Cu. Ft. Amana® Over-the-Range Microwave, use Defrost to thaw frozen meat for tonight's dinner, and then select Reheat tomorrow when you're craving some leftovers. After dinner, settle in for movie night with popcorn at just the push of a button. Plus, you can give your morning coffee a quick reheat with the Add 0:30 Seconds feature.

Features:

- Popcorn: There's no better way to settle in for movie night when you can get popcorn at just the push of a button.
- Defrost: There's no need to wait for those ground beef burger patties to defrost in the sink. Just throw them in the microwave and press Defrost.
- Add 0:30 Seconds: When your favorites need another quick warmup, use this feature to add 30 seconds of extra cook time.
- Reheat: Finding your ideal cook time is a cinch with Reheat: simply select your food item and quantity, and get started.
- 1.6 Cu. Ft. Capacity: Give your leftovers plenty of room to reheat with 1.6 Cu. Ft. Capacity.
- Microwave Turntable: This Microwave Turntable helps you heat food from every angle.
- Large Glass Window: This Large Glass Window lets you see how your food's cooking, thawing or steaming.
- Digital Clock and Display: Now you can answer what's for dinner and what time it should be done with the Digital Clock and Display.
- Exhaust Fan with Charcoal Filter: Exhaust Fan with Charcoal Filter keeps your eyes from watering with its adjustable fan speeds that help filter out smoke and steam.
- Hidden Vent: A Hidden Vent creates a sleek look that's easy to clean.
- Cooktop Surface Light: When you need to see what's cooking, the Cooktop Surface Lights gives you the right amount of light on your cooktop with just a touch.
- CFM Motor Class 300: With a 300 CFM Motor Class rating, you won't have to worry about keeping the air flowing while you're cooking.
