CAFÉ™ 5.7 Cu. Ft. Built-In Dual-Drawer Refrigerator

Features:

- Consistent style from the inside out: Impress your guests every time you open the drawers with an attractive stainless steel interior that is also easy to clean
- Slide shut without making a sound: Never let grabbing a quick snack interrupt your conversations, thanks to soft-close drawers that slide quietly closed
- Storage options that fit your needs: Keep all your fresh foods and drinks organized with an adjustable divider that maximizes flexibility and storage capacity in both drawers
- Clearly see all your favorite foods: Sharable foods are easy to find and easy to serve with LED lighting that provides clear, bright light throughout the drawers
- Create the perfect environment for freshness: Fresh vegetables and craft beers are always stored in their ideal climate, thanks to an exact temperature control that chills items between 34° and 45° F
- Room for all your favorite items: Favorite wines are always perfectly chilled and ready to serve with a large 5.7 cu. ft. capacity that easily holds upright bottles
- Completely closed drawers will put your mind at ease: Rest assured the food in your refrigerated drawers will stay fresh, thanks to a door alarm that sounds when a drawer is left open too long
- Designed to respect holy times: Observe sacred days with a Sabbath Mode that disables your refrigerator's electrical features
