Model #: CGP70362NS1

CAFÉ™ 36" Gas Cooktop

Features:

- Versatile burner complements every cooking style: Sear, fry and sauté on a 18,000 BTU burner
- Spend more time cooking and less time cleaning up: Keep your kitchen sparkling, even when there's a spill with sealed cooktop burners that contain messes for easy cleanup
- Lights that do more than shine: Enjoy peace of mind with a touch of style thanks to white LED backlit, heavy-duty knobs that let you know when a burner is activated at a glance
- More cooking with less cookware: Get the most from your cooktop and eliminate the need for extra cookware with an extra-large, integrated cooktop griddle as an optional accessory
- Guaranteed to fit your space: When you're updating your kitchen, attention to detail is a priority. That's why CAFÉ™ cooktops are guaranteed for an exact fit or CAFÉ™ Appliances will pay up to \$100 toward modifications.
- Simmer away: Always get your hollandaise just right with a simmer burner that provides low, even heat
- Create a look that matches your personal style: Select from premium hardware options to create a stunning look customized to any owner's taste
- One surface makes cooking easier: Easily move heavy cookware across the surface without worry, thanks to continuous, cast-iron grates
- Safety controls add peace of mind: Prevent unintended burner activation with control lock capability
- Let the dishwasher do the cleaning: Enjoy the party without worrying about clean up, thanks to dishwasher-safe grates and knobs
