Model #: CGP95362MS1

CAFÉ™ 36" Gas Cooktop

Features:

- Versatile burner complements every cooking style: Sear, fry and sauté on a 20,000 BTU triple ring burner
- Extra-large griddle means more cooking with less cookware: Get the most from your cooktop and eliminate the need for extra cookware with an optional extra-large, integrated cooktop griddle
- Stylish knobs show when burners are on: Give your kitchen a little glimmer with white LED knob lighting
- Spend more time cooking and less time cleaning up: Keep your kitchen sparkling, even when there's a spill with sealed cooktop burners that contain messes for easy cleanup
- Guaranteed to fit your space: When you're updating your kitchen, attention to detail is a priority. That's why CAFÉ™ cooktops are guaranteed for an exact fit or CAFÉ™ Appliances will pay up to \$100 toward modifications.
- Simmer away: Always get your hollandaise just right with a simmer burner that provides low, even heat
- One surface makes cooking easier: Easily move heavy cookware across the surface without worry, thanks to continuous, cast-iron grates
- Safety controls add peace of mind: Prevent unintended burner activation with control lock capability
