Model #: CHS90XM2NS5

Model #: CHS90XM2NS5

CAFÉ™ 30" Smart Slide-In, Front-Control, Induction and Convection Range with In-Oven Camera in Platinum Glass

Features:

- **Advanced Cooking Technology:** Now you have the power to expand your cooking horizons with the CHS90X, which features a sous-vide probe, a Precision cooktop sensor, Precision Oven Modes and more. It all makes for a cooking experience that's as stunning as the end results
- **Platinum glass finish:** Angular, modern lines and the striking glass finish creates an easy-to-clean, contemporary look for your kitchen
- **Harness a sense of control:** Turn any pan into a smart pan and automatically maintain a set temperature within one degree, thanks to a cooktop sensor that gives you total control from either the display or your smartphone
- **You've got an eye for perfect timing:** Monitor the progress of time-sensitive dishes without needing to open the oven door, with an in-oven camera that provides an interior view of cooking food visible from your smartphone
- **Precision is the name of your cooking game:** Confidently try new recipes and perfectly execute your favorites, using a smart system that automatically tracks progress, modifies temperatures and adjusts cook times
- **A touch of brilliance:** Bring interactive capabilities into your kitchen with a 7" LCD touch screen that looks stunning and makes it easy to control your oven
- **Design that pushes boundaries:** Extraordinary design meets outstanding functionality thanks to a push-to-open storage drawer that eliminates the need for an additional handle on your range's façade, creating a unique, sleek aesthetic in your kitchen
- **Enjoy total control in the kitchen and beyond:** Control your oven with your smart device or simply your voice using WiFi Connect [See details](#)
- **The perfect combination of power & precision:** Stun guests by showing off your 11" 3,700-watt induction element, which uses chef-preferred induction cooktop technology to deliver precise heat to cookware only. That means you can do everything from boiling a quart of water in 101 seconds to melting butter at exact temperatures with amazing efficiency.
- **Precise control for flawless results:** Delight guests with the precision of sous vide cooking or perfectly prepared fondues and delicate sauces using a precision cooking probe that is sold separately
- **Ensure consistent temperatures across a large area:** Evenly heat large griddles or enamel cookware across two 8" synchronized elements
- **Allow your appliances to interact with one another:** Create a chef-like experience with Chef Connect, which can synchronize your appliance clocks and surface lights and vent when a range burner is in use, and even your microwave and range clocks
- **Choose the range you want with total confidence:** When you're updating your kitchen, attention to detail is a priority. That's why CAFÉ™ 30" slide-in ranges are guaranteed for an exact fit or CAFÉ™ Appliances will pay up to \$300 toward modifications.

Platinum Glass Dimensions
