CAFÉ™ 36" Integrated Bottom-Freezer Refrigerator

Features:

- Articulating Hinges + True Flush Installation: Create a seamless, integrated, appearance with a true flush inset installation and hidden articulating hinges that will blend in with surrounding cabinetry for a stylish kitchen aesthetic.
- Convertible Climate Control Drawer with 4 Temperature Settings: Experience the full flexibility of a temperature controlled drawer that offers 4 pre-set customizable options: Meat, Drinks, Snacks and a Full Freeze setting.
- Customizable Hardware Options: Curate a look that complements your style with customizable hardware options that allow you to create a one-of-a-kind refrigerator.
- Bright LED Lighting: Easily find even the smallest items thanks to flush-mounted refrigerator LED lights designed to shed crisp, even light through the interior without wasting space.
- Stylish Interior with Adjustable Door Bins: Complement your kitchen's aesthetic with a stylish refrigerator that offers sophisticated yet functional details throughout the interior.
- Advanced Temperature Control: Create the perfect environment for a variety of foods with a temperature management system that maintains consistency in each refrigerator zone and provides an accurate temperature display.
- Adjustable Glass Shelves: Adjustable glass shelves provide a sophisticated storage solution and a simple way to keep party trays and platters ready to serve.
- Automatic Icemaker: Always have plenty of filtered ice ready to serve thanks to an advanced ice filtration system designed to deliver crisp, fresh-tasting cubes in an instant.
- Advanced Water Filtration System: The included refrigerator water filter reduces 50+ impurities including lead, chlorine, microplastics, and PFOA/PFOS; providing clean, safe drinking water and ice (replacement water filters sold separately - check refrigerator filter compartment for compatible model)
