CAFÉ™ 48" Smart Built-In Side-by-Side Refrigerator

Features:

- Put your food in the spotlight: Display groceries like a gallery with showcase LED lighting positioned throughout the interior to spotlight your favorite foods and containers
- Stay in the know at all times: Enjoy peace of mind with WiFi Connect technology that provides a helpful alert when there's an unexpected change in performance, like a drop in temperature if the door is left open or power is lost
- Must-use compartments for flawless organization: Free up valuable shelf space with large door bins, perfect for storing the small foods and containers that can add up and deprive you of room for heftier items
- Handle any mess without stress: Spills happen, but cleanup is stress-free thanks to adjustable slide-out, spillproof glass shelves that easily shift and lock, and have raised edges to contain mess
- Distinct temperatures for distinct dishes: Whether you're refrigerating an appetizer or dessert, ensure a consistent temperature with an advanced temperature management system perfect for any course
- Safe, pure water for your family and guests: Enjoy refreshing ice from the refrigerator with total peace of mind, thanks to an advanced filtration system that uses MWF replacement filters to remove 98% of certain pharmaceuticals from the ice maker's waterline (Removes 98% of ibuprofen, atenolol, fluoxetine, progesterone and trimethoprim. These pharmaceuticals are not necessarily in all users' water)
- Create a look that matches your personal style: Select any combination of premium finishes and hardware options to create a stunning look customized to any owner's taste
