CAFÉ™ Professional Series 30" Smart Built-In Convection Double Wall Oven

Features:

- True European Convection with Direct Air: The perfect bake is now perfectly easy – Achieve unrivaled performance with the only system that delivers top-down true convection for consistent results on special occasion favorites like roasts, chicken, turkey, and more
- Precision Cooking Modes: Confidently try new recipes and perfectly execute your favorites, using a smart system that is powered by algorithms that track the food's progress and dynamically adjusts time and temperature by precisely managing heat and airflow
- Air Fry Mode: Fried taste. Crisp texture. Less oil. – Make your favorite "fried" foods healthy, thanks to Air Fry Mode that crisps without using oil for frying
- 7" Full-Color Touch LCD Screen: Brighten up life in the kitchen – Easily navigate wall oven settings using a stunning full-color display that adds an unexpected touch of style to your kitchen
- No Preheat Cooking Modes: No preheat, no hassle – Save time with a variety of precision cooking modes that eliminate the need for preheating
- CookCam with AI Technology: CookCam with AI Technology monitors your meals in real time with live-streaming video on your smartphone without opening your oven door. The built-in camera can recommend a precision cooking mode with optimized temperature and fan adjustments
- Oven Control Features: Say goodbye to guesswork with integrated tools that let you set and label unlimited timers and add recipes and video content
- Premium Bluetooth® Speaker: Say hello to cooking in style with built-in premium Bluetooth® speakers. Easily connect your smartphone to stream your favorite music or podcasts, turning every meal into a more enjoyable, immersive experience
- SmartHQ App: Enjoy convenient temperature control from anywhere – Preheat while running errands or change oven temperatures while doing yard work with the SmartHQ™ App
- Customizable: Create a look that matches your personal style – Select any combination of premium finishes and hardware options to create a stunning look customized to any owner's taste
