Model #: CTS70DP2NS1

CAFÉ™ 30" Smart Single Wall Oven with Convection

Features:

- Precision is the name of your cooking game: Confidently try new recipes and perfectly execute your favorites, using a smart system that automatically tracks progress, modifies temperatures and adjusts cook times
- Built-In WiFi, Powered by SmartHQ App: Manage all aspects of your kitchen with the help of the SmartHQ™ App or your voice assistant (Select features require WiFi Connection) [See details](#)
- Personalized Features + Upgrades: Usher in the latest features by downloading cooking upgrades right to your oven, putting Air Fry and more in your repertoire
- Brighten up life in the kitchen: Easily navigate settings using a stunning full color display that adds an unexpected touch of style to your kitchen, including custom screen backgrounds and weather updates
- The perfect bake is now perfectly easy: Achieve unrivaled performance with the only system that delivers top-down true convection for consistent results on special occasion favorites like roasts, chicken, turkey and more
- No preheat, no hassle: Save time with a variety of precision cooking modes that eliminate the need for preheating
- Fried taste. Crisp texture. Less oil.: Make your favorite "fried" foods healthy, thanks to Air Fry that crisps without using oil for frying
- Enjoy convenient temperature control from anywhere: Preheat while running errands or change oven temperatures while doing yard work with the CAFÉ™ Appliances Kitchen app
- Create a look that matches your personal style: Select any combination of premium finishes and hardware options to create a stunning look customized to any owner's taste
- The oven rack that handles it all: Easily remove heavy dishes with a roller rack that is specially designed to glide smoothly
- The perfect fit you've always dreamed of: When you're updating your kitchen, attention to detail is a priority. That's why CAFÉ™ wall ovens are guaranteed for an exact fit or CAFÉ™ Appliances will pay up to \$300 toward modifications.
- Clean up has never been easier: Keep your oven looking like new at all times with a steam clean option for small spills and a self clean cycle for larger messes
- Prepare foods to perfect doneness: Get roasts and meats just right with a temperature probe that lets you monitor progress on the wall oven screen, eliminating the need to open the oven door during cooking
- More heat coverage means better results: Ensure even baking with an element that covers more surface area for better distribution of heat
- An even broil is yours: Achieve completely even browning on any size dish with a full-coverage broil element
