Model #: CWB713P2VS1

Model #: CWB713P2VS1

CAFÉ™ 30" Built-In Microwave/Convection Oven

Features:

- More room for more food: Entertaining unexpected guests is easy with the 1.7 cu. ft. capacity that helps prepare a large amount of food quickly
- Delicious results in no time at all: Enjoy oven-quality results in mere minutes with a fast cook setting that combines convection and microwave cooking technology
- Convection Baking & Roasting: Gently circulating heat delivers beautifully baked and roasted results, bringing true oven-style cooking to your built-in microwave
- A simple and smart addition to your culinary repertoire: Fresh vegetables and rice are perfectly prepared with a steam cook button that simplifies the entire process
- Quick control and effortless cleaning: Easily choose a setting on your convection microwave using sleek glass touch controls that are simple to navigate and wipe clean
- A microwave that's as versatile as you are: Achieve crisp, golden brown results with a convection cooking setting and a special rack that allows air to circulate around foods for even heat distribution
- Prepare and preserve the freshest meals: Let bread rise naturally and keep entrées hot and ready with a warming and proofing oven that ensures fresh results, regardless of when you sit down to eat
- 10 Power Levels for Culinary Excellence: The Cafe Microwave offers 10 power levels, designed to elevate your cooking from the robust intensity needed for vibrant vegetables and aromatic beverages to the subtle warmth ideal for defrosting and nurturing delicate sauces
- Express Elegance: Express Cook unites style & speed, offering you one-button 1 to 6 minutes of cooking time with flawless efficiency
