Model #: FFCL2062AW

20 Cu. Ft. Garage Ready Chest Freezer

Store more with the Frigidaire 20 Cu. Ft. Convertible Garage Ready chest freezer. Designed for flexibility, it switches from freezer to fridge with ease. With Freeze Boost, you can rapidly freeze items to maintain peak freshness. Enjoy consistent cooling and peace of mind with precise temperature control and a high-temp alarm. Stay organized with two removable baskets for easy access.

Features:

- Effortlessly convert your freezer to a refrigerator with DualChill, for ultimate flexibility whether you're hosting a gathering or just need extra space.
- Place this unit in your garage without worry. As a freezer, this unit is designed to perform in temperatures ranging from 0°F to 110°F. As a refrigerator, it performs in temperatures ranging from 38°F to 110°F.
- Stay organized with two removable premium baskets that can hold small frozen items and slides easily so you can see items underneath.
- Set this option to rapidly lower the temperature inside, helping to quickly freeze items and preserve peak freshness.
- Easily adjust the temperature with electronic exterior controls, so you avoid releasing cold air by opening.
- Easily set the ideal temperature with our digital display, which allows you to set the perfect temp in °C or °F to fit your needs.
- The sturdy counterbalanced lid ensures easy access by holding itself open at all angles, making loading and unloading a breeze.
- Monitor the ideal environment for your frozen foods with our temperature alarm that alerts you if the temperature rises.
- LED interior lighting so you can easily see what's inside.
- Spills and messes wipe away quickly with a smooth interior and rounded corners.
- When applied, caster wheels allow you to conveniently move your freezer.
- Keep your frozen food fresher with this manual defrost freezer that maintains a more consistent freezing temperature.
- Use the drain to conveniently remove water during defrosting.
