Dimensions

Width: 23 5/8 in
Height: 33 1/2 in
Depth: 22 1/8 in

Features:

- Effortlessly convert your freezer to a refrigerator with DualChill, for ultimate flexibility whether you're hosting a gathering or just need extra space.
- Place this unit in your garage without worry. As a freezer, this unit is designed to perform in temperatures ranging from 0°F to 110°F. As a refrigerator, it performs in temperatures ranging from 38°F to 110°F.
- Keep food frozen for up to three days if there is a power outage with our superior tight seal that locks in cold air.
- Stay organized with two removable baskets that can hold small frozen items and slides easily so you can see items underneath.
- Set this option to rapidly lower the temperature inside, helping to quickly freeze items and preserve peak freshness.
- Save money and maximize energy efficiency.
- Easily adjust the temperature with electronic exterior controls, so you avoid releasing cold air by opening.
- Easily set the ideal temperature with our digital display, which allows you to set the perfect temp in °C or °F to fit your needs.
- The sturdy counterbalanced lid ensures easy access by holding itself open at all angles, making loading and unloading a breeze.
- Monitor the ideal environment for your frozen foods with our temperature alarm that alerts you if the temperature rises.
- LED interior lighting so you can easily see what's inside.
- Spills and messes wipe away quickly with a smooth interior and rounded corners.
- Easily adjustable leveling legs keep your chest freezer stable on uneven floors, ensuring optimal performance.
- Keep your frozen food fresher with this manual defrost freezer that maintains a more consistent freezing temperature.
- Use the drain to conveniently remove water during defrosting.
