Model #: FFUE1326AW

13 Cu. Ft. Garage Ready Upright Freezer

The 13 cu. ft. upright freezer offers ultimate flexibility with its convertible freezer-to-refrigerator feature and garage-ready design. It ensures consistent freezing with the EvenTemp™ cooling system and provides flexible organization. Enjoy peace of mind with power outage assurance and the door ajar and high temp alarms.

Features:

- Effortlessly convert your freezer to a refrigerator with the touch of a button, for ultimate flexibility whether you're hosting a gathering or just need extra space.
- Place this unit in your garage without worry. As a freezer, this unit is designed to perform in temperatures ranging from 0°F to 110°F. As a refrigerator, it performs in temperatures ranging from 38°F to 110°F.
- Easily organize your family's frozen favorites with our organization system that allows you to make the most of every available square inch of your freezer.
- Monitor the ideal environment for your frozen foods with our audible temperature alarm that alerts you if the door is left open or the temperature rises.
- Our cooling system optimizes airflow to ensure a consistent temperature throughout the freezer, helping preserve food quality.
- Know at a glance that your freezer is keeping your favorites safely frozen and fresh with our power-on indicator light.
- Save money and maximize energy efficiency.
- Never waste time chipping away ice in your freezer again with our frost-free design that does the work for you.
- Door can be installed to open left or right based on your needs.
