Model #: FFUE1836AW

18 Cu. Ft. Garage Ready Upright Convertible Freezer / Refrigerator

This 18 cu. ft. garage ready upright freezer effortlessly converts to a refrigerator for ultimate flexibility when you need it. Easily organize your favorites with our flexible organization system. The Cold Boost setting quickly chills or freezes foods to lock in peak freshness.

Features:

- Place this unit in your garage without worry. As a freezer, this unit is designed to perform in temperatures ranging from 0°F to 110°F. As a refrigerator, it performs in temperatures ranging from 38°F to 110°F.
- Effortlessly convert your freezer to a refrigerator with the touch of a button, for ultimate flexibility whether you're hosting a gathering or just need extra space.
- Easily organize your family's frozen favorites with our organization system that allows you to make the most of every available square inch of your freezer.
- Quickly chill or freeze foods to lock in peak freshness - set this option before unloading groceries to temporarily drop the fridge or freezer to its coldest temperature.
- Our cooling system optimizes airflow to ensure a consistent temperature throughout the freezer, so your food stays fresher for longer.
- Monitor the ideal environment for your frozen foods with our audible temperature alarm that alerts you if the door is left open or the temperature rises.
- Save money and maximize energy efficiency.
- Never waste time chipping away ice in your freezer again with our frost-free design that does the work for you.
- Know at a glance that your freezer is keeping your favorites safely frozen and fresh with our power-on indicator light.
