

FRIGIDAIRE

Model #: FFUE2024AW

Model #: FFUE2024AW

20 Cu. Ft. Garage Ready Upright Freezer

This Frigidaire 20 cubic foot upright freezer includes a superior tight seal that locks in cold air, keeping food frozen for two days if there is a power outage, and the EvenTemp™ Cooling System, with a variable speed compressor that constantly circulates cold air throughout the freezer with smart sensing technology that adjusts air flow to maintain a uniform temperature. The flexible interior organization system enables you to easily organize your family's frozen favorites with four adjustable, full-width glass shelves, deep bottom basket, and five spacious door bins.

Features:

- Keep food frozen for two days if there is a power outage with our superior tight seal that locks in cold air.
- Reduce freezer burn with our cooling system that reacts quickly to temperature fluctuations and constantly circulates cold air throughout the compartment.
- Easily organize your family's favorite foods with our organization system that allows you to make the most of every available square inch of your refrigerator.
- Recognized as Most Efficient 20 cu. ft. Upright Freezer by Energy Star.
- Monitor the ideal environment for your frozen foods with our audible temperature alarm that alerts you if the door is left open or the temperature rises.
- Ensures your doors are never left slightly open by automatically closing once the door is ajar 5" or less.
- Never waste time chipping away ice in your freezer again with our frost-free design that does the work for you.
- With this 20 cu. ft. upright freezer, you can fit into the same space as a traditional 17 cu. ft. model, but enjoy more capacity without sacrificing floor space.
- Each freezer has gone through a 42-point quality check to guarantee strong performance for years to come.
- Place this unit in your garage without worry. This unit is designed to perform in temperatures ranging from 0°F to 110°F.
- Door can be installed to open left or right based on your needs.
