20 Cu. Ft. Garage Ready Single-Door Refrigerator

This Frigidaire 20 cubic foot upright refrigerator prevents warm spots and unwanted freezing and ensures a consistent temperature throughout with the EvenTemp™ cooling system. The flexible interior organization system enables you to easily organize your family's favorite foods with four adjustable, full-width glass shelves, deep bottom basket, and five spacious door bins. Additionally, enjoy the ability to maintain the ideal environment for your refrigerated foods with our audible temperature alarm that alerts you if the door is left open or the refrigerator's temperature rises, and auto-close doors, which ensure that your refrigerator is never left slightly open by mistake.

Features:

- Prevent warm spots and unwanted freezing with our cooling system that optimizes airflow to ensure a consistent temperature throughout your refrigerator.
- Easily organize your family's favorite foods with our organization system that allows you to make the most of every available square inch of your refrigerator.
- Monitor the ideal environment for your refrigerated foods with our audible temperature alarm that alerts you if the door is left open or the temperature rises.
- Save money and maximize energy efficiency.
- Ensures your doors are never left slightly open by automatically closing once the door is ajar 5" or less.
- Each refrigerator has gone through a 42-point quality check to guarantee strong performance for years to come.
