

FRIGIDAIRE

Model #: FRFG2033AV

Model #: FRFG2033AV

20 Cu. Ft. Counter-Depth French Door Refrigerator

This Frigidaire 33" French Door refrigerator with an internal water dispenser keeps produce fresh for longer with our CrispSeal® crispers and has a place for everything with our flexible organization system.

Features:

- Fresh, filtered water right from your internal dispenser, while allowing for a clean exterior look.
- Keep produce fresher longer, so you waste less and save money. Unlike other crispers, ours offers a seal that blocks out dry air from entering your crisper.
- 33 in. wide French Door easily fits smaller spaces yet provides storage for all your favorites.
- Our adjustable large door bins offer more storage, without sacrificing valuable shelf space.
- Keep safer, great tasting water flowing and reduce up to 99% of contaminants while cutting back on plastic and the cost of bottled water with our water filter.
- Prevent warm spots and unwanted freezing with our cooling system that optimizes airflow to ensure a consistent temperature throughout your refrigerator.
- Save money and maximize energy efficiency.
- Easily see what is inside with our enhanced LED lighting.
- Our air filter performs better than baking soda, capturing undesirable smells to keep your fridge fresh for longer.
- Always have ice on hand with our built-in ice maker in the freezer.
- Our counter-depth refrigerator sits flush with existing cabinetry, making it easy to achieve a sleek, built-in look.
- Resists fingerprints and cleans easily.
- Ensures your doors are never left slightly open by automatically closing once the door is ajar 5" or less.

Fingerprint-Resistant Stainless Steel Look
