20 Cu. Ft. Upright Freezer

This 20 cu. ft. upright freezer allows you to conveniently store all of your favorite frozen foods with a variety of way to organize the interior.

Features:

- Easily organize your family's favorite foods with our organization system that allows you to make the most of every available square inch of your refrigerator.
- Reduce freezer burn with our cooling system that reacts quickly to temperature fluctuations and constantly circulates cold air throughout the compartment.
- Keep food frozen for two days if there is a power outage with our superior tight seal that locks in cold air.
- Place this unit in your garage without worry. This unit is designed to perform in temperatures ranging from 0°F to 110°F.
- Never waste time chipping away ice in your freezer again with our frost-free design that does the work for you.
- Door can be installed to open left or right based on your needs.
- Ensures your doors are never left slightly open by automatically closing once the door is ajar 5" or less.
- Each freezer has gone through a 42-point quality check to guarantee strong performance for years to come.
