Model #: GCFE3059BF

Model #: GCFE3059BF

30" Front Control Electric Range with Total Convection

The Frigidaire Gallery 30" Front Control Electric Range features our most powerful and advanced convection system, Total Convection, enabling so many cooking modes like No Preheat, Air Fry, Slow Cook, Steam Bake, Steam Roast, Air Sous Vide, Convection Roast, Convection Bake and more! Enjoy time saving features like No Preheat and our convenient 30-minute oven Steam Clean that's chemical-free, odor-free and fast. Also includes our fingerprint resistant, Smudge-Proof® Stainless Steel finish.

Features:

- Total Convection gives you maximum versatility in the kitchen, powering cooking modes like Air Fry, No Preheat, Slow Cook, Air Sous Vide and more!
- Eliminates time wasted waiting on your oven to heat up - simply place your food in the cold oven and get to mealtime, in no time.
- Air Fry allows you to make healthier and delicious meals for the entire family, right in your oven.
- Designed to meet all of your cooking needs with a powerful 3,200-watt PowerPlus® Element, a 2-in-1 Dual Element, and a Keep Warm element.
- With Slow Cook, your food cooks slowly and at a lower temperature (as low as 100°F), allowing you to lock in moisture and flavor without over or undercooking your food.
- Uses precisely controlled temperature and airflow to lock in flavor and moisture to cook foods to the finish temperature you want.
- The 3,200-watt PowerPlus® Element brings water to a boil faster, while EvenTemp™ technology helps create consistently delicious meals.
- Steam evenly circulates throughout the oven cavity, resulting in breads and muffins that rise higher and are light and fluffy.
- Helps you clean up as you go with a 30-minute oven cleaning that's chemical-free, odor-free and fast.
- We promise that your new 30" Frigidaire front control range will fit your existing range cutout of the same width and configuration, or we will reimburse you up to one hundred dollars for professionally modifying the countertop.
- Resists fingerprints and cleans easily.
- Redesigned to be even wider - allowing you to store any unused oven racks, baking trays and more!

Specifications

Cooktop:

Cooking Surface Type : Smooth
Element On Indicator Light : Yes
Hot-Surface Indicator Light : Yes

Stainless Steel Dimensions

Width: 30 in
