

GE APPLIANCES

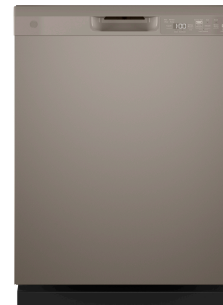

Model #: GDF550PMRES

Model #: GDF550PMRES

GE® ENERGY STAR® Front Control with Plastic Interior Dishwasher with Sanitize Cycle & Dry Boost

Features:

- Dry Boost™: Dry Boost gets hard-to-dry items like plastics up to 3x drier compared to heated dry
- Steam + Sani: Save time with a Steam option that loosens tough soils before the wash cycle begins, so you get a complete clean with no pre-rinsing or soaking necessary. Plus, a Sanitization cycle reduces 99.999% of bacteria on dishes
- AutoSense Wash Cycle: This energy efficient dishwasher has an AutoSense cycle that detects the soil level and amount of dishes, then automatically adjusts wash settings for the ultimate clean
- High Wash Performance: Get a complete wash with no pre-rinse, thanks to a variety of powerful wash cycles. No matter how many dishes you load or how dirty they are, rest assured you'll get spotless results every time
- Adjustable Upper Rack: Enjoy flexible loading with an adjustable upper rack. Easily move it up or down to fit bottles, large platters and other items as tall as 10.5
- Choose Your Cycle: This dishwasher offers a heavy wash, normal wash, and a 1-hour wash cycle for outstanding wash performance and clean dishes every time, every load size
- Reliable Performance: This American made dishwasher is durable, long-lasting and dependable. Its consistent performance will give you totally clean and dry dishes with every cycle
- Water Leak Sensor: This dishwasher features Active Flood Protect, preventing potential overflows for greater peace of mind. A water sensor cancels the wash cycle before a flood can occur and alerts you with blinking lights and a tone
- Hard Food Disposer: The Piranha™ hard food disposer with a removable filter has a stainless steel blade that rotates at 3,600 RPM, preventing large particles from clogging the wash arms and ensuring consistently clean dishes
- ENERGY STAR® Dishwasher: This efficient, ENERGY STAR® dishwasher saves energy without sacrificing features or functionality
- Quiet 52 dBA Dishwasher: This quiet dishwasher provides a powerful clean without unwanted noise or disturbances. A status light on the door lets you know when it's running
- Extra Large Capacity: This extra large capacity dishwasher has enough space for 14 place settings and large dishware, making cleanup easy after gatherings
- Heavy-Duty Plastic Interior Dishwasher: The heavy-duty plastic interior is extremely long-lasting and durable, with an attractive American Gray finish
- Flush Installation: Cabinet-depth flush installation ensures your dishwasher blends in with the design of your kitchen, and it doesn't reduce rack capacity
- Top or Side Mount Installation Brackets: Easily mount the dishwasher under your countertop or to the side of your cabinets using installation brackets for any type of countertop
