Model #: GDHH4527AF

24" Dishwasher

The Frigidaire Gallery 24" Built-In Dishwasher offers a more complete clean with sensor technology that adjusts cleaning performance based on soil levels and the OrbitClean® Wash System with multi-directional spray patterns. Forget the hand towel with the MaxBoost™ Dry system that delivers fast, effective drying every time. The FlexSlide upper tray adds space and versatility, easily accommodating silverware, cooking utensils, and other hard-to-fit items. Plus, with a 1-Hour Wash cycle, you'll enjoy clean, ready-to-use dishes in less time, perfect for busy nights or effortless entertaining.

Features:

- Our sensor technology delivers better cleaning by matching performance to soil levels
- A movable upper tray lets you maximize every inch of space, perfect for silverware, utensils, and kitchen tools
- MaxBoost™ Dry technology circulates heated air to push out moisture and pull in fresh, dry air, so you don't have to hand dry
- Stainless Steel is durable, sleek, resists odors and stains, and is easy-to-clean
- Clean dishes in just 1 hour, perfect for busy nights or hosting, with the option to add MaxBoost™ Dry for sparkling, cabinet-ready results
- OrbitClean® wash system uses a rotating wash arm with multi-directional spray patterns for maximum coverage without using more water
- Watch TV or have a conversation, our quiet dishwasher won't disrupt your home
- Certified to the latest ENERGY STAR® 7.0 water and energy consumption standards
- Always know your dishwasher's status, floor beam shines blue when running and white when cycle is complete
- Remove 99.9% of common household bacteria with NSF®-Certified Sanitize Option
- Help protect your kitchen with an overflow detection system that automatically stops water if levels get too high, preventing leaks
- Make loading the dishwasher easier with removable racks to allow for your largest items
- Resists fingerprints and cleans easily
- The door stays put at whatever angle you open it for easy loading and unloading
- Eco cycle uses less energy without compromising cleaning performance
- Run your dishwasher on your schedule with a 2, 4, or 6 hour delay start
- Cleans up to 14 place settings in one cycle
