24" Ultra Quiet 42 dBA Dishwasher

This 24" dishwasher offers a more complete clean with sensor technology that adjusts cleaning performance based on soil level, with an ultra-quiet 42 dBA operation.

Features:

- Get better cleaning results with our sensor technology that adjusts cleaning performance based on the soil level of your dishes
- OrbitClean® wash system uses a rotating wash arm with multi-directional spray patterns to provide maximum coverage without using more water
- Watch TV or have a conversation, our ultra-quiet dishwasher is extra insulated to be quiet as a whisper
- Get an enhanced dry with the MaxDry™ option, which raises the temperature and delivers better results that reduce the need for towel drying
- Remove 99.9% of common household bacteria with NSF-Certified Sanitize Option
- Certified to the latest ENERGY STAR® 7.0 water and energy consumption standards
- Make loading the dishwasher easier with removable racks
- Saves you time - cleans dishes in 34-minutes
- Resists fingerprints and cleans easily
- The door stays put at whatever angle you open it for easy loading and unloading
- Eco-friendly cycle uses less energy without compromising cleaning performance
- Cleans up to 14 place settings in one cycle
- Set your dishwasher to run on your schedule 1-24 hours in advance
