Model #: GDSH4735AF

24" Stainless Steel Tub Dishwasher with CleanBoost™ and Adaptive Quick Wash

The Frigidaire Gallery 24" Stainless Steel Tub Built-In Dishwasher with CleanBoost® Technology amplifies the power of your detergent by premixing it with water before it touches your dishes delivering powerful cleaning results and removing tough baked-on foods. This ultra-quiet (45 dBa) dishwasher also features MaxBoost™ dry and an Adaptive Quick Wash that adjusts resources and performance based on the soil level to deliver the fastest and cleanest quick wash in the industry.

Features:

- The Adaptive Quick Wash Cycle adjusts cleaning performance and resources based on soil level for the cleanest and fastest quick wash in its class*
- Remove tough baked-on foods and boost the cleaning power of any detergent with our patented CleanBoost® premix technology
- Keep your kitchen quiet and the noise inside your dishwasher where it belongs with extra, quality insulation
- In the event of a leak a sensor is triggered stopping the cycle and containing overflowed water in a tray at the bottom of the dishwasher
- Avoid pre-rinsing with our DishSense® sensor technology that automatically adjusts the cycle based on the soil level of your dishes
- Clean hard-to-reach spots with our Target Spray Zones that target tough spots for the ultimate clean
- Featuring a rotating wash arm with multi-directional spray patterns to provide maximum coverage without using more water
- Save time loading and unloading with a third level rack that easily fits silverware, cooking utensils and tools
- Dish racks so smooth they extend effortlessly to help making loading and unloading easier
- Our sleek designed capacitive multi-touch user interface is intuitive and helps you to easily select the right program for your dishes
- Make loading the dishwasher easier with adjustable racks, providing enough space to fit even your largest items
- MaxBoost Dry™ technology uses heat and a fan to direct moisture out and pull in fresh air that dries your dishes.
- Sanitize option removes 99.9% of common household bacteria*
- Illuminate the floor with a blue light when your dishes are washing and a white light when they are clean
- Save money and maximize energy efficiency.
- By avoiding hand washing and putting your dishes straight in the dishwasher you can save over 4,000 gallons of water per year while getting an effective clean*
- Resists fingerprints and cleans easily
