24" Stainless Steel Tub Built-In Dishwasher with CleanBoost™

Frigidaire Gallery 24" Stainless Steel Tub Built-In Dishwasher with CleanBoost™ Technology maximizes the power of your detergent by premixing water and detergent before it hits your dishes, helping remove hard-to-clean and baked-on foods. Offers enhanced drying results with MaxBoost™ Dry. This quiet dishwasher (47 dBA) also offers a sanitize option, an adjustable rack, LED floor indicator light, 30-minute quick wash, and is Energy Star® certified.

Features:

- Remove tough baked-on foods and boost the cleaning power of any detergent with our patented CleanBoost™ premix technology
- Get a powerful clean in just 30 minutes.
- Keep your kitchen quiet and the noise inside your dishwasher where it belongs with extra, quality insulation.
- Skip pre-rinsing with our DishSense® sensor technology that adjusts cleaning performance based on the soil level of your dishes.
- In the event of a leak a sensor is triggered stopping the cycle and containing overflowed water in a tray at the bottom of the dishwasher.
- Clean hard-to-reach spots with our Target Spray Zones that target tough spots for the ultimate clean.
- Using a rotating wash arm with multi-directional spray patterns provides maximum coverage without using more water.
- Save time loading and unloading with a third level rack that easily fits silverware, cooking utensils and tools.
- Make loading the dishwasher easier with an adjustable rack and enough space to fit large items.
- Save money and maximize energy efficiency.
- Get a great clean and avoid the hassle of handwashing, all while saving over 4,000 gallons of water per year.
- Our sleek designed capacitive multi-touch user interface is intuitive and helps you to easily select the right program for your dishes.
- Convenient LED floor light shows cycle status- blue when your dishes are washing and white when they are clean.
- Remove 99.9% of common household bacteria with NSF-Certified Sanitize Option.
- Resists fingerprints and cleans easily.
- MaxBoost Dry™ technology uses heat and a fan to direct moisture out and pull in fresh air that dries your dishes.
