2.2 Cu. Ft. Built-In Microwave

The Frigidaire Gallery 2.2 cu. ft. Built-In Microwave includes Sensor Cook, Sensor Reheat and Quick Start options offer time savings so that you can put delicious meals on the table, faster. Plus, enjoy premium interior LED lighting – making it easier to monitor your food while it cooks. Complete the look of your kitchen with a stylish built-in trim kit available in 27" and 30" widths.

Features:

- Sensors in the microwave determine and set the appropriate power levels and cook time to ensure great tasting food.
- Sensors in the microwave automatically adjust the temperature and time so that your food is reheated to perfection
- Get meals on the table in minutes with six different Quick Start options that allow you to start cooking faster.
- Monitor your dish while it cooks with the bright LED interior microwave light
- Two step open safety function helps limit children from opening the microwave and spilling hot contents during and 30 minutes after cooking. You can choose to permanently deactivate the safety lock function.
- Provides 2.2 cu. ft. of cooking space.
- Resists fingerprints and cleans easily
- Melt ingredients like butter or chocolate for more easier baking
- Quickly defrost meat, poultry, fish, and more with the defrost button on the control panel
- Big bowls and large casserole dishes are no problem for our 16.5" diameter glass turntable.
- For a stylish built-in look, purchase a stainless steel trim kit. Trim kits are sold separately and required for installation. See spec sheet for SKU information
