Model #: GRFN2023AF

20 Cu. Ft. Standard-Depth French Door Refrigerator

This Frigidaire Gallery 30" French Door refrigerator maintains the taste and texture of even your most delicate foods. Our freshness system is packed with technologies that keep food fresh and reduce food waste, such as our cooling system, advanced crispers, and our genuine air and water filtration.

Features:

- Keep produce crisp and flavorful for longer with our 3 advanced technologies that work together to optimize the environment of your crisper.
- Fresh, filtered water right from your internal dispenser, while allowing for a clean exterior look.
- 30 in. width French Door easily fits narrow and small kitchen spaces
- Prevent warm spots and unwanted freezing with our cooling system that optimizes airflow to ensure a consistent temperature throughout your refrigerator.
- Packed with technologies that reduce food waste and energy consumption, our refrigerator is a smart option for the environment and your wallet.
- Keep safer, great tasting water flowing and reduce up to 99% of contaminants while cutting back on plastic and the cost of bottled water with our water filter.
- Full-width drawer for spacious storage that you can easily access everything inside.
- Save money and maximize energy efficiency.
- Resists fingerprints and cleans easily.
- Bright LED lighting that illuminates every level on the inside.
- Performs better than baking soda, capturing undesirable smells to keep your fridge fresher longer.
- Ensures your doors are never left slightly open by automatically closing once the door is ajar 5" or less.
- Always have ice on hand with our built-in ice maker in the freezer.
