360° Max Jets™ Third Rack Dishwasher with Stemware Shield and Stemware Clips, 44 dBA

Say hello to the only way to dish. Stemware Shield and Stemware Clips secure delicate glasses during wash and dry cycles, so you can skip the hand washing to make post-party clean up effortless. 50+ Total Wash Jets across 5 wash arms offer targeted cleaning on every level. 360° Max Jets™ Third Rack uses 360° wash jets to clean glasses, mugs and bowls. 7.25 cu. ft. MaxTub Largest Dishwasher Tub based on usable volume. ProDry™ System dries from every angle with heating elements, water repellent tech and natural ventilation.

Features:

- 50+ Total Wash Jets: provide complete cleaning coverage for dishes across all three racks, eliminating the need for pre-rinsing. With 3x more jets* than the leading competitor's third rack model, it ensures targeted cleaning for dishes on every level.
- 360° Max Jets™ Third Rack with Water Repellent Tech: is the only third rack with 360° wash jets to clean pint glasses, coffee mugs and cereal bowls inside and out. The largest third rack available,* it also has a removable utensil caddy for cooking tools and features moisture-wicking tines for table-ready dishes.
- 7.25 cu. ft. MaxTub Largest Dishwasher Tub* *Based on usable volume.: makes room for the 360° Max Jets™ Third Rack, which fits 10 extra glasses and mugs,* freeing up space for larger items below. Stemware holders in the adjustable middle rack secure wine glasses. And fold-down rows in the lower rack accommodate cookware of various shapes and sizes. *Compared to KDFS224S and KDTS224S models
- ProDry™ System: combines a heating element, Water Repellent Tech and natural ventilation to give you dry, table-ready dishes. To activate, select the ProDry™ Option or ProDry™ Max Option.
- Stemware Shield and Stemware Clips: provide a soft touch zone with a protective strip that cradles up to 7 delicate glasses while support clips secure them in place during wash and dry cycles, so you can skip the hand washing to make post-party clean up effortless.
- Water Repellent Technology: on silverware basket and third rack utensil caddy actively repels water with an innovative plasma coating, leaving silverware and unique kitchen tools thoroughly dried.
- True Self-Cleaning Filtration: is the only dishwasher filtration system* available that eliminates the need for manual filter cleaning. It continuously captures food particles, so only clean water circulates through the wash jets, then cleans itself as the dishwasher drains, so you can load without pre-rinsing. *Across brands owned by Whirlpool Corporation, including Maytag and Whirlpool
- Designed for Quiet Cleaning at 44 dBA: so you can let the dishwasher get a head start on cleanup while you entertain and enjoy meals, even in open-concept kitchens.
- Designed To Be Personalized: with a curated palette of mixed metal hardware. Personalize your hardware with optional handle accessory kits in Brass, Bronze, Black Ore and Stainless Steel.
- Express Wash Cycle: cleans 72% better than the leading competitor's Speed 60 cycle.* Dishes get a thorough wash in just over an hour, so you always have what you need while prepping, cooking and entertaining. *Compared to Bosch SHX9PCM5N.
- PrintShield™ Finish: resists smudges and fingerprints. The specialized coating for stainless steel is easy to clean with just water and a soft cloth, so you can spend more time cooking and less time cleaning up the kitchen.
- SatinGlide® Rails in Third and Middle Racks: move smoothly for easy loading and unloading.
- 5 Cycles: provide flexibility so you can adapt to any pile up of plates with a quick wash cycle, heavy wash cycle and more.
- Sani-Rinse Option: eliminates 99.999% of food soil bacteria by adding a high-heat final rinse to sanitize dishes.
- ProDry™ Max Option: extends the ProDry™ Cycle for loads that need extra time to provide better drying results*
- ProWash™ Cycle: uses a sensor to measure soil levels and adapts wash time and water temperature as needed for tough messes or lighter loads,

Dan's Appliance

because no two meals are exactly the same.

- Top Controls: are tucked away on top of the dishwasher door for a clean look to match your kitchen style. An indicator light on the front of the door changes colors to subtly display cycle progress.
- Adjustable Middle Rack: adds flexibility to fit tall items like a stand mixer bowl. Lower the rack to place large dishes inside or raise it to make room for platters, pitchers, blender jars and more in the rack below.
- Adjustable Rows in Middle and Lower Racks: tines easily fold down to make room for dishes in a variety of shapes and sizes like roasting pans, serving bowls, colanders and dutch ovens.
- Durable Stainless Steel Interior: offers the beauty and benefits of stainless steel inside the dishwasher, plus helps resist streaks, stains and odors, while retaining heat to help improve drying.
- Leak Identification System: Helps detect most types of leaks and includes a drip tray underneath. If the system detects a problem, the dishwasher can stop filling, drain the tub and alert that service is needed.*
- Energy Star V7: Energy Star® Certified to exceed government standards for energy efficiency, supporting sustainability and helping to save money on utility bills.
