Features:

- **Drawer Design:** Is ideal for open kitchen designs and islands. Under-counter and in-wall installation options free up counter space for ingredients and food preparation. And, its top access lets you check or stir foods without removing the dish from the microwave.
- **Sensor Functions:** Consistently delivers exceptional results. Choose from a menu with 10 foods you microwave most, plus popcorn settings and a reheating mode ideal for hard-to-reheat foods like tilapia. A sensor detects humidity coming from the food to optimize cook time.
- **Auto Touch Open/Close:** Allows you to easily open and close the microwave drawer at the touch of a button, giving you effortless access even with your hands full.
- **950 Watt Cooking Power:** Cooks and defrosts your favorite foods, from making popcorn to thawing a cut from a side of beef, quickly and thoroughly with high power.
- **1.2 Cu. Ft. Capacity:** Is spacious enough to comfortably fit a variety of different containers and work as a complement to your conventional oven.
- **Timed Defrost:** Lets you instantly choose from a menu the type of food you're defrosting, to ensure precise control and best results.
- **Keep Warm Function:** Delivers brief pulses of 50% microwave power to keep your cooked foods warm without overcooking until they're ready to be served, helping you coordinate the timing of a multi-course meal.
