Model #: KMBS730SPS

Model #: KMBS730SPS

30" Built In Microwave Oven with Air Fry

This 30-inch built in microwave oven with Air Fry takes the guesswork out of convection cooking. Air Fry Mode circulates hot air to crisp and brown. Assisted Cooking Modes offer over 30 modes from broil to slow roast. Designed To Be Personalized with a curated palette of handles and knobs.

Features:

- Microwave Air Fry Mode: get crispy and browned food while using less oil than traditional deep frying.
- Assisted Cooking Modes: allow you to explore new recipes with confidence with built-in cooking modes and recommended preset temperatures and cook times for over 30 foods in the oven and microwave.
- Backlit Knobs: stay lit during preheat and pulse when cooking is finished, while offering easy access to cooking modes that allow you to start cooking in as little as 3 seconds. Plus, start the microwave with a simple tap.
- Designed To Be Personalized: with a curated palette of mixed metal hardware. Change up your look with handle and knob accessory kits (sold separately) in Brass, Bronze, Black Ore and Stainless Steel.
- Broil Element: quickly sears meat, chars vegetables, browns lasagna, caramelizes the top of a casserole, and more. For better results, food should be placed in the middle of the cavity using the baking tray.
- Built-in Design: fits evenly with your cabinets to give your kitchen a seamless look. Install on its own in a wall or cabinet, or pair with a matching KitchenAid® wall oven for an elevated kitchen design.
- Microwave Convection Cooking: includes up to 1200-watt convection element to provide a secondary option for convection cooking, ideal for baking macaroons or tortes while you use the lower oven to prepare the entrée.
- Smart Appliance: lets you control the oven with your Google Assistant or an Alexa-enabled device to stay hands-on or hands-off.* The KitchenAid™ App lets you conveniently preheat, proof, bake, and roast, plus store your favorite recipes for easy reference. *Wi-Fi & App required. Features subject to change. Amazon Alexa capabilities available in U.S. only. Google Assistant capabilities available globally. For details and privacy info, visit KitchenAid.com/Connect (U.S.) or KitchenAid.ca/Connect (Canada). Alexa, Google and certain other trademarks are owned by their respective companies.
- LCD Touchscreen Display: makes it easy to choose settings and track cooking progress at a glance
- Favorites: Make your favorite cooking settings easy to access by creating and saving them right in the KitchenAid app™* or directly on your appliance.*
- PrintShield™ Finish: Resists smudges and fingerprints. The specialized coating for stainless steel is easy to clean with just water and a soft cloth, so you can spend more time cooking and less time cleaning up.
- 1.4 Cu. Ft. Microwave Oven Capacity: comfortably fits a variety of dishes with enough height for a mixing bowl and width for a 9" x 13" casserole dish.
- 1.4 cu. ft. Capacity: 1.4 cu. ft. Capacity
- Sensor Steam Cycle with Steamer Container: allows precise steaming based on food type and the doneness level selected. Includes a steamer container to help you get the best results.
- Proudly assembled in Cleveland, Tennessee, U.S.A.: We take pride in building strong, reliable appliances for your home. These microwaves are proudly assembled by hard-working employees in Cleveland, Tennessee
