

KitchenAid®

Model #: KOED530SPS

Model #: KOED530SPS

30-inch Electric Double Wall Oven with No Preheat Air Fry Mode - PrintShield™ Finish

Get the crisp you crave, right from your oven. KitchenAid® Single Wall Ovens with Air Fry Mode circulate hot air to cook with less oil.* Even-Heat™ True Convection for consistent baking and roasting. Temperature Probe provides internal temperature updates on oven screen or your mobile device without opening the door. SatinGlide™ Roll-Out Extension Rack makes it easy to cook with large or heavy bakeware. PrintShield™ Finish coating resists fingerprints and smudges. *When compared to deep frying.

**PrintShield Stainless
Dimensions**

Width: 29.75 in
Height: 50.8125 in
Depth: 27.125 in

Features:

- Even-Heat™ True Convection: features a unique bow-tie design with a heating element and fan that circulates hot air throughout the entire oven, providing optimal temperatures for delicious baked goods, juicy roasts and flavorful vegetables.
- No Preheat Air Fry Mode: uses heating elements and a fan to circulate hot air within the cavity, crisping and browning food with less oil.*† *When compared to deep frying. †Dishwasher-safe basket sold separately.
- SatinGlide™ Roll-Out Extension Rack: features a roll-out extension rack and ball-bearing rollers with an easy-grip handle for effortless loading and unloading of large or heavy dishes.
- Temperature Probe: provides internal temperature updates on oven screen so you can control whether your roast beef tenderloin comes out rare, medium rare, or medium without opening the door.
- Self-Cleaning Cycle: Uses high temperatures to loosen baked-on food without the need for chemical cleaners. After running this cycle, give the inside of the oven a wipe down with a damp cloth.
- EasyConvect™ Conversion System: Automatically adjusts conventional baking temperatures and cook times to their convection equivalents, making it easy to use convection with recipes of all kinds.
- PrintShield™ Finish: Resists smudges and fingerprints. The specialized coating for stainless steel is easy to clean with just water and a soft cloth, so you can spend more time cooking and less time cleaning up.
- FIT System Limited Guarantee: If your new 27" or 30" wall oven doesn't fit, you may get up to \$300 for professional modifications. Existing cabinet modifications only. Exclusions apply. See terms.*
- 5.0 Cu. Ft. Oven Capacity (both ovens): in both ovens provides space and flexibility to cook multiple dishes at different temperatures, so you can roast a whole turkey with sides in one, while baking dessert in the other.
- Smooth-Close Doors: makes it easy to close the oven while your hands are full with special hinges that help prevent slamming. You can just nudge the doors and it will glide to a soft, smooth close.
- Proudly assembled in Cleveland, Tennessee U.S.A.: We take pride in building strong, reliable appliances for your home. These wall ovens are proudly assembled by hard-working employees in Cleveland, Tennessee.
- Star-K Certified Sabbath Mode: To meet kosher requirements for use on the Jewish Sabbath and other religious holidays. When in Sabbath Mode, the oven remains in baking mode at a constant temperature with lights, displays and tones disabled.
