Model #: KSEG950ESS

30-Inch 4-Element Electric Downdraft Slide-In Range

This all-in-one eclectic range includes Downdraft, which integrates the ventilation system so a separate hood is not needed. Smoke and odors can be removed outside or filtered air can be recirculated inside. This range helps you achieve flawless cooking results thanks to Even-Heat™ True Convection. The unique bow-tie design and convection fan ensure the entire oven is heated perfectly. It also has a Steam Rack that offers the ability to add moisture to the oven and enhances cooking results. *Max Capacity Rack sold separately, W10554006.

**Stainless Steel
Dimensions**

Width: 29.875 in
Height: 36 in
Depth: 28.875 in

Features:

- Downdraft: Integrates the ventilation system right into the range so that a separate hood is not needed. Smoke and odors can be removed and taken outside or air can be filtered and recirculated inside. A duct free kit can be purchased separately.
- Even-Heat™ True Convection: Features a unique bow-tie design with heating element and fan that circulates hot air throughout the entire oven, providing optimal temperatures combined with airflow for crisp, flaky baked goods, juicy, well-browned roasts and caramelized vegetables.
- Steam Rack: Offers the ability to provide additional moisture to the inside of the oven, enhancing cooking results.
- 6.4 cu ft Capacity: This electric slide-in range provides a large cooking capacity that easily handles multiple dishes at once.
- 4 Cooking Elements: Provides four independent cooking surfaces that allow you to do more on your range. It features a double cooking zone of 6 and 10 inches, one 10 inch zone, plus two 6 inch cooking zones.
- EasyConvect™ Conversion: Takes the guesswork out of convection cooking by converting conventional settings for recipes to convection settings for you.
- Aqualift®: Cleans your oven in less than an hour without odors and at a temperature below 200°F. This innovative system combines low heat with water to release baked-on spills.
- Glass Touch Controls: Offer an intuitive, easy-to-use touch screen experience.
- SatinGlide® Max Racks: Move smoothly in and out, allowing effortless loading and unloading, even with large or heavy dishes.
- Side Trim Accessory Kit: This optional accessory kit will cover damaged countertops and unfinished edges from an old slide-in range to make them beautiful again. Trim pieces come in black, white and stainless to seamlessly match your new range.
- Max Capacity Rack (Sold separately): The Max Capacity Rack dips down so you have plenty of room for cooking your largest dishes.
