Model #: KSES530SPS

Model #: KSES530SPS

5.3 Cu. Ft. Smart Slide-in Electric Range with Two Even-Heat™ Hyper Elements and Convection Cooking Modes

Enjoy a range of possibilities with our most powerful KitchenAid 30-inch Electric Range available. Two Even-Heat™ Hyper Elements offer precise control and the versatility to take on large pots or small pans for various cooking tasks. A WiFi-enabled Smart Appliance featuring Convection Cooking Modes that help you get consistent results with optimal temperatures. A Steam Bake mode works with the included steam rack to provide additional moisture during baking, so you can enjoy Basque cheesecake and other delicious desserts. The range is designed to be personalized with a curated palette of exterior finishes and mixed metal hardware.

PrintShield™ Stainless Finish
Dimensions

Width: 29.9 in
Height: 36.6 in
Depth: 25.4 in

Features:

- Most Powerful KitchenAid 30-Inch Electric Range Available: Our Most Powerful 30-Inch Electric Range Available.* *Based on total wattage.
- Two Even-Heat™ Hyper Elements: offer precise control to find the sweet spot while cooking. The dual Even-Heat™ Hyper Element offers a 6-inch and a 9-inch element in one, making it ideal for boiling large pots, or small pans for various cooking tasks. An additional 6-inch Even-Heat™ Hyper Element is available to simmer sauces on a consistent low heat or take on searing, boiling, and stir-frying with even high heat.
- Convection Cooking Modes: help you get consistent results with optimal heating temperatures for juicy roast meats with restaurant-style pizza with Fresh Pizza Mode, No Preheat Air Fry for crispy game day wings, Steam Bake with included Steam Bake tray for Basque Cheesecake, and more.
- Steam Bake Mode with Steam Bake Tray: provides additional moisture during baking, so you can enjoy Basque cheesecake and other delicious desserts with Steam Bake mode.
- Smart Appliance: lets you control the oven with your Google Assistant or an Alexa-enabled device to stay hands-on or hands-off.* The KitchenAid™ App lets you conveniently preheat, proof, bake, and roast, plus store your favorite recipes for easy reference. *Wi-Fi & App required. Features subject to change. Amazon Alexa capabilities available in U.S. only. Google Assistant capabilities available globally. For details and privacy info, visit KitchenAid.com/Connect (U.S.) or KitchenAid.ca/Connect (Canada). Alexa, Google and certain other trademarks are owned by their respective companies.
- Designed To Be Personalized: with a curated palette of exterior finishes and mixed metal hardware. Pick from serene Juniper, warm Black Ore and classic Stainless Steel finishes, all with matching handles and knobs. Personalize your hardware with optional handle and knob accessory kits in Brass, Bronze, Black Ore and Stainless Steel.
- 5.3 Cu. Ft. Capacity with Rapid Preheat: maximize your cooking potential with our spacious oven, designed to handle entire meals like a full turkey and sides simultaneously. Featuring an optimized oven design, it reaches 350°F in under 8 minutes*, reducing wait times and using up to 20% less energy.**
- Even-Heat™ True Convection: features a unique bow-tie design with a heating element and fan that circulates hot air throughout the entire oven, providing consistent temperatures for crisp, flaky baked goods, juicy, well-browned roasts, and flavorful caramelized vegetables.
- Edge-to-Edge Glass Cooking Surface: subtly integrates with your countertop, allowing you to move pots and pans easily from your counter to the cooking surface. Its clean, minimalist lines enhance your kitchen's design.
- Steam Clean & Self-Cleaning Cycles: keep your oven clean with two distinct cycles. The Steam Clean Cycle, perfect for quick, routine maintenance, helps loosen cooked-on food in under an hour. Simply add water to the bottom of the oven and wipe down after the cycle. For a deeper clean, the high-temperature Self-Clean Cycle powers through baked-on spills, leaving the oven cavity clean with just a final wipe-down.
- 5 Cooking Elements Including a Warm Zone: provides five independent cooking surfaces that allow you to do more on your range. Two Even-Heat™ hyper elements allow precise control for simmering sauces or high heat cooking. The triple cooking zone accommodates a 6-inch, 9-inch or 12-inch

pan depending on your cookware size. And a standard 6-inch element and a dedicated warm zone allow you to cook more at once, while keeping dishes at the perfect serving temperature.

- No Preheat Air Fry Mode: lets you save time and skip preheating while you get crispy and browned food while using less oil than traditional deep frying. Dishwasher-safe basket sold separately.
- Fresh Pizza Mode: helps you create homemade, restaurant-style pizzas from the comfort of your kitchen. This setting cranks the heat to 550°F for delicious results.
- No Preheat Reheat: brings yesterday's meal back to life quickly, without the need for a microwave.
- No Preheat Slow Cook: seal in flavors of juicy roasts, stews, and braised foods with No Preheat Slow Cook for savory comfort meals without the need for a countertop slow cooker.
- Air Baking: helps you craft delicious cakes, muffins, last-minute bake sale treats, and more, with even results on multiple racks.
- Air Roast: seals in the flavors and juices of meat and poultry for a hearty, comforting meal.
- Air Broil: melts, chars and sears quickly using intense air-driven heat to create toasted treats, melty grilled cheese and more.
- Proof Mode: is designed to maintain a low temperature and provides ideal conditions to properly activate yeast, allowing your baked goods to rise.
- PrintShield™ Finish: resists smudges and fingerprints. The specialized coating for stainless steel is easy to clean with just water and a soft cloth, so you can spend more time cooking and less time cleaning up.
- LCD Glass Touch Controls: offer an intuitive, easy-to-use touch screen experience.
- 6-Inch Warm Zone: keeps dishes at the perfect serving temperature while you finish preparing the rest of your meal.
- Storage Drawer: adds additional storage space that's perfect for pots, pans and baking sheets.
- FIT System Limited Guarantee: FIT System Limited Guarantee* is our promise to flawlessly fit slide-in ranges designed for an existing cutout of 30" width, countertop depth of 24"-25", cabinet depth of 23"-24" and countertop height of 36". *On 30" KitchenAid® slide-in ranges only. Excludes new cabinet installations. Offer valid for qualified models of a compatible width and dates specified. For complete details, visit [KitchenAid.com/fitsystem](https://kitchenaid.com/fitsystem)
- Sabbath Mode: to meet kosher requirements for use on the Jewish Sabbath and other religious holidays. When in Sabbath Mode, the oven can be set to Sabbath baking and will maintain a constant temperature with lights, displays and tones disabled.
- Energy Star® Certified: to exceed government standards for energy efficiency, supporting sustainability and helping to save money on utility bills.
- Proudly assembled in Tulsa, Oklahoma, U.S.A.: we take pride in building strong, reliable appliances for your home. These ranges are proudly assembled by hard-working employees in Tulsa, Oklahoma.
