Model #: KURL124SSB

24" Undercounter Refrigerator with Stainless Steel Door

This Undercounter Refrigerator makes room for party essentials from platters to pitchers. Ultra-Bright LED Lighting turns on when the door is open, making it easy to find items inside, and a Temperature Monitoring System with sensor alert adds peace of mind. Fully Flush Installation with Hidden Hinges provides a built-in look within cabinetry.

Features:

- Fully Flush Installation with Hidden Hinges: provides a built-in look within a standard 24" base cabinet, so the refrigerator seamlessly blends in, letting your style stand out. Hidden hinges allow the refrigerator door to sit flush with surrounding cabinet fronts when closed yet easily swing open a full 115°.
- Temperature Monitoring System: uses sensors to monitor temperatures inside the refrigerator for added peace of mind. If the system detects temperatures above 45°F for more than 4 hours, an over-temp alarm and indicator light will alert you that service is needed.
- Ultra-Bright LED Lighting: turns on automatically when the refrigerator doors or drawers are open, making it easy to find items inside.
- Glass Shelves: bring distinctive style inside with a solid glass shelf design that makes it easy to wipe up spills.
- 5.0 Cu. Ft. Capacity: features two full-width glass shelves and one half shelf, making it easy to find a place for items of different shapes and sizes, even wide platters and tall pitchers. Two removable full-width door bins add extra space for small jars and slim bottles.
- Door Alarm: alerts you if the door has been left open for five minutes or more and repeats every two minutes until you close the door or touch the controls.
- Backlit Touch Controls: make it easy to choose settings for what you're storing. Located in the upper drawer, the lighted control panel displays current temperatures for each drawer and other status alerts.
- Sabbath Mode (Star-K Certified): disables automatic lights and alarm tones to meet kosher requirements for use on the Jewish Sabbath and other religious holidays.
