Features:

- Most Recommended Dishwasher Brand* (U.S. Only): As the most recommended dishwasher brand*, Maytag® dishwashers deliver dependable quality and performance.
- PowerBlast® cycle: The PowerBlast® cycle scours away stubborn foods like egg yolk, peanut butter and even dried-on oatmeal. High-pressure jets, rotating spray arm, and increased water temperatures work together to clear food off dishes—so all you have to do is load them in.
- Heated Dry: Get the right kind of dry from your dishwasher. The Heated Dry option muscles out moisture with long and short cycle options that let you adjust drying time to get the job done right.
- Quick Dry Basket: Quick Dry Basket has water repellent technology that shields the silverware basket to boost drying, making your cutlery ready-to-use straight from the basket.
- 10-year limited parts warranty* on the racks and tub: Maytag® dishwashers are covered by a 10-year limited parts warranty on the racks, stainless steel tub and microfiltration wash system.* So when we say you can count on your dishwasher for years, we mean it.
- XL Upper Rack: XL Upper Rack can tackle bulky pots and pans usually left for the bottom, so there's no need for a second load.
- Fingerprint resistant stainless finish: Easy-to-clean, fingerprint resistant stainless finish resists smudges and streaks to keep your dishwasher looking as good on the outside as it works on the inside.
- Three-level water filtration: Tackle cleanup with three levels of filtration to remove food particles during the wash and rinse cycles.
- Sani Rinse: Add serious sanitization to your wash cycle. After washing is complete, the Sani Rinse option delivers a high-temperature rinse that removes 99.99% of food soil bacteria from dishes and glassware.
- Auto Cycle: Auto cycle automatically measures soil levels and adapts cleaning power to tackle tough messes.
- Quick Cycle: Get a serious clean, seriously fast. The Quick cycle takes on heavy messes in about an hour.
- Touch controls: You're in control with a simple tap of your finger. Smooth, tap-to-activate settings give you quick and seamless access to powerful cleaning.
- Full stainless steel tub: The full stainless steel tub is tough enough to handle years of heavy-duty cleaning and high heat.
- Leak Identification System: The Leak Identification system helps detect most types of leaks. If it identifies a problem, the dishwasher will stop filling, drain the tub and alert you that service is needed.*
- Eco Series: Eco Series appliances from Maytag are designed to get the job done efficiently, delivering uncompromising wash and dry performance while saving you water, energy and money.*
- Quiet at only 50 dBA: This dishwasher is made to perform at only 50 dBA, so you can enjoy the quiet cleaning power of a Maytag dishwasher.
- An American company in business since 1911: Whirlpool Corporation started in 1911 as a small company in Benton Harbor, Michigan. Today we are a global home appliance business selling products around the world. We are proud of our American heritage and ingenuity that have driven innovation for over 100 years.
- Built for the long haul: We packed in sturdy stainless steel that's ready for cycle after cycle of tough cleaning. Stainless steel materials are built for high heat and resist stains to help keep your dishwasher looking good for years to come.
