Model #: MSES7030SZ

30-Inch Wide Slide-In Electric Range with Grill Mode and No Preheat Air Fry - 5.3 Cu. Ft.

Turn up the heat with the 30-Inch Wide Stainless Steel Slide-In Electric Range with Grill Mode. Get a sizzling sear all year inside your oven and enjoy your crispy favorites with No Preheat Air Fry. Turn your tough cuts into tender bites with Slow Cook and put the power of air to work with Air-Powered Cooking Cycles. Plus, this smart appliance allows you to monitor your range from anywhere with WiFi connectivity*.
Appliance must be connected. WiFi & App Required. Features subject to change. Details and privacy info at <http://maytag.com/connect>

Fingerprint Resistant Stainless Steel Dimensions

Width: 29.9 in
Height: 36.6 in
Depth: 25.4 in

Features:

- **Grill Mode:** Get the perfect sear all year with Grill Mode. Firing up to 550°, Grill Mode delivers crispy, charred outsides and a juicy, flavorful center. Just insert the cast-iron grill/griddle, and you're on your way to that signature grilled taste right from the convenience of your kitchen—no backyard needed.
- **No Preheat Air Fry:** Strapped for time? No Preheat Air Fry fires up fast to eliminate the preheat process and cooks fried foods fast—delivering a crispy-on-the-outside, juicy-on-the-inside taste using little to no additional oil*.
- **Slow Cook:** Enjoy fork-tender results with no preheat Slow Cook Mode. Simmering food at low, medium or high temperatures, Slow Cook breaks down tougher cuts of meat, resulting in tender, flavorful dishes—no meat tenderizer needed. Plus, the cycle automatically turns off after 12 hours, so you can set it and keep your day moving.
- **Air-Powered Cooking Cycles:** Put the power of air to work and bake, roast, fry, broil and reheat* fast with Air-Powered Cooking Cycles. Two heating elements circulate hot air throughout the oven cavity for deliciously consistent results—no matter the meal.
- **Smart Appliance:** Tap into the future of cooking with Smart Appliance technology. Using WiFi connectivity, you can cook smarter, not harder, by controlling and monitoring your appliance right from your device.*
- **Fingerprint Resistant Stainless Steel:** The easy-to-clean Fingerprint Resistant Stainless Steel resists smudges and smears to keep your oven looking as good on the outside as it works on the inside.
- **10-Year Limited Parts Warranty*:** With a 10-Year Limited Parts Warranty* on the glass cooktop, elements and cavity, we built these ranges tough enough to keep cooking for years.
- **Reversible Cast-Iron Grill/Griddle:** Get more out of your range with the Reversible Cast-Iron Grill/Griddle. Get those perfect grill marks when used inside your oven, or flip it over and cook your protein hibachi-style on your stovetop. Cook up anything you can think up with this versatile accessory.
- **High Temp Self Clean:** Fight the toughest baked-on foods in your oven with this high-heat, self-cleaning technology. Using just heat—no chemicals—it turns spills and grime into a powdery ash you can then easily wipe away.
- **Proof Cycle:** Level up your baking with the Proof Cycle*, which speeds up yeast activation for perfectly risen dough. Keeping temperatures under 110°F, it ensures your rolls are light, fluffy and ready just in time for dinner.
- **Precision Cooking™ System:** The Precision Cooking™ System uses sensor heating to monitor cavity temperatures to help ensure each meal is cooked evenly.
- **9"/6" Dual-Choice™ Element:** The 9"/6" Dual-Choice™ Element matches the heat to the pan you're using so you can cook your meal the way you want.
- **Griddle Zone:** Turn your cooktop into a flattop by placing a Maytag® griddle* on the Griddle Zone. By combining two heating elements to create a larger surface, you can cook more food simultaneously. Whip up everything from pancakes to smash burgers to stir-fried vegetables from the convenience of your kitchen.
- **Edge-to-Edge Ceramic Glass Cooktop:** The smooth Edge-to-Edge Ceramic Glass Cooktop lets you easily wipe spills from all the delicious meals you'll prepare.
- **Power Preheat:** Get to dinner faster with Power Preheat. It minimizes time spent in the kitchen by cutting preheat times by up to 40%*.

Dan's Appliance

- Air Broil (App Only): Experience powerful browning in less time with Air Broil*. By circulating hot temperatures up to 550°F, this versatile mode locks in moisture while creating an even, caramelized finish. Add a crispy layer to a cheesy casserole or a seared char on a juicy steak—the possibilities are endless.
- Air Baking: Redefine baking with the power of air. By circulating hot air throughout the oven, Air Baking delivers even heating for top-notch baking results. Ideal for crisping cookies, roasting tender, savory dishes, and golden, flaky pastries.
- No Preheat Air Roast: Who said roasting has to be slow? Roast tender, juicy proteins and vegetables 10 minutes sooner* with the No Preheat Air Roast feature. Spend less time waiting and more time enjoying.
- Air Reheat (App Only): Goodbye, microwaved soggy leftovers; hello, crispy reheated meals. Air Reheat* revives pizza quickly without the preheat time.
- Hidden Bake Element: The Hidden Bake Element is sealed under the oven floor to protect it from spills and drips.
- Warming Center: The Warming Center adds a dedicated cooktop zone to keep your finished food warm while you use the other elements to get the rest of your meal cooked.
- Variable Broil: Variable Broil delivers the temperatures you need for fast cooking. Set the oven between 450°F and 550°F to get the results you want on meat, sweet peppers and more.
- Delay Bake: With the Delay Bake setting, you can place your dishes inside the oven and schedule when you want the baking to begin so your food is ready when you are.
- Keep Warm™: No need to reheat dinner. The Keep Warm™ setting uses low heat to keep food warm and ready to eat.
- Fast Preheat 5.3 Cu. Ft. Cavity: Cook the whole meal with a faster* preheat time and plenty of space in this 5.3 cu. ft. capacity electric range.
- FIT System Limited Guarantee: The innovative FIT system ensures your new Maytag® slide-in range will fit your kitchen cabinet cutout.*
- ENERGY STAR® Certified: ENERGY STAR® Certified models exceed government standards to help save money on your utility bills.
- Sabbath Mode: Sabbath Mode keeps the oven in Bake mode until it can be shut off, allowing you to cook and warm food during the Sabbath. All other oven settings, including temperature displays, sounds, changes in light status and cleaning cycles will be disabled.
- Spacious Storage Drawer: Store and quickly access a 9-piece cookware set of saucepans, skillets, stockpot and lids in our Spacious Storage Drawer.
- Proudly assembled in Tulsa, Oklahoma, U.S.A.: We take pride in building strong, reliable appliances for your home. These ranges are proudly assembled by hard-working employees in Tulsa, Oklahoma.
- An American company for over 100 years: Whirlpool Corporation started in 1911 in Benton Harbor, Michigan. Today we are a global home appliance business selling products around the world. We are proud of our American heritage and ingenuity that have driven innovation for over 100 years.
- Better Built Electric Range: Sturdy door hinges on this Maytag® electric range are built for dependability, while the fingerprint resistant stainless finish and ceramic glass cooktop help make cleaning easy.
