Model #: PDT715SIYII

GE Profile™ ENERGY STAR® Panel-Ready Top Control Stainless Interior Dishwasher with Microban™ Antimicrobial Technology

Features:

- Custom Panel Dishwasher: This panel-ready dishwasher allows you to add a custom panel to your dishwasher to achieve a seamless look that matches your cabinetry. Designed so that the custom panel easily attaches and can be flush installed for seamless built-in look. Panels and handles not included.
- Microban® Antimicrobial Technology: Enjoy longer-lasting dishwasher protection thanks to Microban® Antimicrobial Technology. Built into high-usage touchpoints to help prevent bacteria growth, it keeps protected surfaces 99% cleaner than unprotected surfaces.
- Dry Boost™: Dry Boost™ technology outperforms standard heated-dry dishwashers by getting hard-to-dry items like plastics up to 3 times drier when compared to heated dry.
- Smart Features powered by SmartHQ™: Built-In WiFi and the SmartHQ™ app make it easy to connect, control and monitor your smart dishwasher from anywhere. You can also conveniently access the latest features, including customized cycles, remote status notifications and more.
- Smart Assist: Smart Assist makes it simple for you to unlock optimal wash and dry performance. Innovative dishwasher sensors and intelligent machine learning enhance and improve cycles over time.
- Deep Clean Silverware Jets: A system of deep clean silverware jets blasts the silverware basket from the bottom up, removing all stuck-on foods and providing sparkling results.
- Third Rack with Removable Silverware Caddy: The versatile third rack was redesigned to load more than just silverware with additional space for unique items.
- Active Flood Protect: To prevent potential overflows, a sensor detects when the water is too high and pumps it out until a safe level is reached.
- 4 Bottle Wash Jets: This dishwasher with bottle jets ensures a deep clean for tall items, narrow glasses, jars and more. In the upper rack, each of the 4 bottle wash jets directs water and detergent inside to effectively wash hard-to-reach areas.
- Steam + Sani: Save time with a high-temperature cycle that steams and sanitizes to loosen tough soils before the wash cycle begins, reducing bacteria by 99.999% without pre-rinsing or soaking.
- Piranha™ Hard Food Disposer: The Piranha™ Hard Food Disposer lets you use your dishwasher without pre-rinsing. Its stainless steel impellers rotate to pulverize food particles and an anti-jamming design makes sure wash arms stay unclogged.
- 44 dBA Dishwasher: Get reliable wash performance and a deep clean without unwanted noise. 44 dBA based on results from base model PDT715SYVFS.
- Extra-Large Capacity: Have enough space for 16 place settings and large dishware in this extra-large capacity dishwasher, making cleanup after large gatherings a breeze.

APPEARANCE:

Handle : Custom Handle Required - not included with unit
Installation : Built-Up Floor Capable, Flush Cabinet Installation, Side Installation or Top Installation Included
Door Style : Long Door with Top Controls
Door Appearance : Full-length door
Color Appearance : Custom Panel and Handle Required
Control Panel Color : Matte Onyx Black treated with Microban™ Antimicrobial Technology

POWER / RATINGS:

Power Connection : Optional cord kit (GPFCORD - WX09X70910, WX09X70911)
Energy Consumption (kWh/year) : 240
Hertz : 60
Electrical Requirements : 120V ; 60Hz ; 6.6A
Watts : 936
Calrod Heater Watts : 800/500
Volts/Hertz/Amps : 120V; 60Hz; 6.6A

ECONOMICAL / QUIET:

Door Insulation : Insulation, Mastic
Quiet Package : 44 dBA
Outer Wrap : Bitumen, Full-wrap Blanket
Motor Type : Variable Speed
Quiet Features : 44 dBA based on results from base model PDT715SYVFS, Quiet Water Valve, Sealed Toe Kick, Tub Collar Trim

ACCESSORIES:

Optional 12' Drain Hose : Optional hose kit (WD24X10065)

WEIGHTS & DIMENSIONS:

Cabinet Depth : 24 in
Height w/ Legs Retracted - Minimum Height : 33.375 in
Cutout Height (in) : 33.5
Cutout Width (in) : 24
Overall Depth : 24 in
Cabinet Width : 24 in
Net Weight : 105 lb
Overall Width : 23.75 in
Depth Without Handle : 24 in
Approximate Shipping Weight : 118 lb
Overall Height : 34 in
Cutout Depth (in) : 24
Height w/Legs Extended - Maximum Height : 34.625 in
Depth with Door Open : 27.5 in
