23 Cu. Ft. Counter-Depth French Door Refrigerator

This Frigidaire Professional French door refrigerator offers a freshness system that maintains the taste and texture of even your most delicate foods. Our freshness system is packed with technologies that keep food fresh and reduce food waste, such as our cooling system, advanced crispers, and our genuine air and water filtration.

Features:

- Keep fruits and vegetables fresh longer with our advanced crispers that automatically removes excess moisture and has an added ethylene adsorber filter.
- Find a place for everything with our flexible organization solutions that maximize usable space and adapts to your families needs.
- Three temperature settings perfect for everything from yogurt and party platters to meat and chilled drinks.
- Packed with technologies that reduce food waste and energy consumption, our refrigerator is a smart option for the environment and your wallet.
- Our large bins offer more door storage, without sacrificing valuable shelf space.
- Ensures your doors are never left slightly open by automatically closing once the door is ajar 5" or less.
- Prevent warm spots and unwanted freezing with our cooling system that optimizes airflow to ensure a consistent temperature throughout the fresh food and freezer.
- Keep safer, great tasting water flowing and reduce up to 99% of contaminants while cutting back on plastic and the cost of bottled water with our water filter.
- Resists fingerprints and cleans easily.
- Save money and maximize energy efficiency.
- Pure, filtered water right from you refrigerator, while allowing for a clean exterior look.
- Our counter-depth refrigerator sits flush with existing cabinetry, making it easy to achieve a sleek, built-in look.
- Our enhanced lighting illuminates every level of your refrigerator and saves energy over traditional lighting.
- Performs better than baking soda, capturing undesirable smells to keep your fridge fresher longer.
- Always have ice on hand with our built-in ice maker in the freezer.
