22 Cu. Ft. 36" Counter Depth Side by Side Refrigerator

This Frigidaire Professional 36" Counter-Depth Side-by-side refrigerator offers our advanced CrispSeal® Plus Crisper. This crisper keeps produce fresh with a seal that blocks out dry air, plus an added filter reduces the gas that causes produce to ripen faster. It also features our EvenTemp™ Cooling System which keeps your food fresh by reacting quickly to temperature fluctuations and constantly circulates cold air throughout the fresh food and freezer compartments, ensuring a consistent cool from top to bottom.

Features:

- Help prevent produce from spoiling with a seal that blocks out dry air and an added filter that reduces the gas that causes produce to ripen faster.
- Prevent warm spots and unwanted freezing with our cooling system that optimizes airflow to ensure a consistent temperature throughout the fresh food and freezer.
- Find a place for everything with our flexible organization solutions that maximize usable space and adapts to your families needs.
- Easily stores all your family's favorites with deeper shelving space for the same storage as standard-depth.
- Our counter-depth design sits flush against your cabinetry allowing you to achieve a sleek, built-in look.
