Model #: PTD700LSZSS

GE Profile™ 30" Smart Built-In Convection Double Wall Oven with Left-Hand Side-Swing Doors

Features:

- True European Convection with Direct Air: Faster, more even results for roasts, chicken, turkey and other special-occasion favorites, with the only cooking system that delivers true top-down convection
- No Preheat Air Fry: Cook healthier, crispier versions of your favorite foods in less time, thanks to an air fryer right in your oven that doesn't require preheating (optional air fry tray sold separately)
- Swing Door: An innovative door design that opens to the side instead of down, eliminating awkward reaching
- Precision Cooking Modes: Achieve perfect results with precision cooking modes—including artisan pizza, salmon, and bacon—powered by algorithms that track the food's progress and dynamically adjusts time and temperature by precisely managing heat and airflow
- 7" Customizable Touch Screen Display: A bright, interactive touch screen is easy to use and features unlimited timers, weather updates, recipe apps, and saved favorite recipes to streamline your cooking experience
- Streamline Cooking with Voice Command: Use voice commands to control your oven hands-free — set modes, adjust temperatures, and manage timers with ease. Add items to your shopping list or get real-time cooking and appliance guidance through the built-in chatbot
- Cooking Assistant: Step into the future with our advanced digital cooking tools that provide direct access to our Cooking Partners' apps, simplifying everything from recipe discovery to shopping and execution with expert cooking tips. It's life, uncomplicated
- Premium Bluetooth® Speaker: Built-in Bluetooth speakers connect to your smartphone so you can stream music, podcasts and more while you cook - keeping you entertained without leaving the kitchen
- Built-In WIFI, Powered by SmartHQ™ App: Connect, control and manage your oven from anywhere with your smartphone or tablet (Select features require WIFI connection)
- Self-Clean Oven with Optional Steam Clean: Let your oven do the cleaning for you with two ways to eliminate baked-on messes
- Remote Temperature Probe: Know exactly when your dish has reached the perfect internal temperature with temperature readings that you can view using the SmartHQ™ app
- Smart Oven Shortcuts: Upgrade your cooking with this smart oven shortcut feature, saving your most recently used cooking modes for instant access. Seamlessly blend innovation and efficiency so you can focus on what truly matters — creating, entertaining, and enjoying
- Fit Guarantee: Ensures your new appliance will fit your existing cutout, or GE Appliances will help cover the modification costs **See offer criteria and details**
