

Model #: PVD28HYYFS

Model #: PVD28HYYFS

GE Profile™ ENERGY STAR® 27.9 Cu. Ft. Smart 4-Door French-Door Refrigerator with Kitchen Assistant™

Features:

- Scan-to-List: Take the guesswork out of groceries with a built-in bar code scanner that automatically adds scanned items to a shared, digital shopping list. Scan any item with a bar code with a database of over 4 million UPC codes.
- Shared, Digital Shopping List: Anyone in the family can easily reference exact shopping list details at the store via the SmartHQ™ app or sync to Instacart for quick delivery.
- FridgeFocus™: Camera captures an image of the last time your produce drawers were opened, so you can view your inventory from anywhere with the Smart HQ™ app, helping you plan your grocery list while you're away from the fridge and avoid buying duplicates at the store.
- Recipe App Integration: Remove the mental load of meal planning with a fridge that acts as your personal recipe assistant, allowing you to find new recipe inspiration, save your favorites, and easily add recipe items to your shared, digital shopping list. Explore recipes from Taste of Home, King Arthur, Homemade, and more.
- Hands-free Precise Fill: Dispense an exact amount of ounces, cups, quarts, or milliliters of filtered water into any container with just a touch, allowing you to ditch the measuring cups and do fewer dishes. You can also dispense into large containers by pushing the water paddle.
- Hands-free AutoFill: Hands-free AutoFill uses sensors in the refrigerator dispenser to release the exact amount of filtered water you want, so you can walk away while your bottle fills up.
- Voice Integration: Just say "Hey HQ!" to activate your SmartHQ voice assistant. Add items to your shopping list, dispense filtered water, or ask about your appliance.
- GE Profile Connect +: Ensure your fridge always has the latest features with downloadable software upgrades.
- Brilliant Touch Display: A bright, interactive touch screen is easy to use and includes custom screen backgrounds, weather updates, water center, kitchen timers, and more.
- LED Light Wall: The showcase LED light wall sheds bright, uniform light throughout the interior of this LED refrigerator, illuminating every shelf and making even the smallest items easy to find.
- Door-in-Door Storage: Easily store and access your favorites, including taller items like wine bottles, with an innovative door in door design and convenient rotating bin.
- Adjustable Temperature Drawer: This adjustable temperature refrigerator drawer has 4-settings that let you store specific types of food and drink at the ideal temperature, including meat, beverages, snacks or wine.
- Removable Bin Caddy: Enjoy more storage flexibility and better organization with a refrigerator caddy that can store a range of items and be used as an adjustable drawer divider.
- Soft-Close Produce Drawers: Access fresh fruits and vegetables quickly and easily thanks to well-designed, clear soft close crisper drawers so your fresh favorites are always at your fingertips.
- Advanced Water Filtration: The included refrigerator water filter reduces 50+ impurities including lead, chlorine, microplastics, and PFOA/PFOS; providing clean, safe drinking water and ice (replacement water filters sold separately - check refrigerator filter compartment for compatible model)
