Model #: WDT550SAPW

44 dBA ADA Compliant Dishwasher Flush with Cabinets with 3rd Rack

Get a built-in look with this flush-mount dishwasher. Load hard-to-fit utensils in the 3rd Rack and get enhanced drying with Door Open Dry. And at just 44 dBA, this ADA dishwasher gives a quiet clean that won't interrupt mealtime.

Features:

- Flush Installation: With Flush Installation, your dishwasher will sit flush* with the cabinets giving it a built-in look.
- Flush Installation: With Flush Installation, your dishwasher will sit flush with the cabinets giving it a built-in look.
- ADA Compliant: With adjustable feet, this dishwasher can be installed in a standard and ADA cutout. Installed in the ADA cutout, this dishwasher meets the Standards for Accessible Design specified by the Americans with Disabilities Act to provide equal access to all.
- ADA Compliant (U.S Only): With adjustable feet, this dishwasher can be installed in a standard and ADA cutout. Installed in the ADA cutout, this dishwasher meets the Standards for Accessible Design specified by the Americans with Disabilities Act to provide equal access to all.(U.S Only)
- Door Open Dry: To use less energy at the end of the cycle, the door automatically opens to let hot air out and fresh air in to improve drying and create less condensation on dishes.
- Door Open Dry: To use less energy at the end of the cycle, the door automatically opens to let hot air out and fresh air in to improve drying and create less condensation* on dishes.
- 44 dBA: Get a quiet clean that won't interrupt mealtime with a sound level of just 44 dBA.
- 3rd Rack: Free up space for more dishes with 30% more rack space.* The 3rd Rack makes it easy to load silverware, hard-to-fit utensils like tongs or even measuring cups and spoons.
- 3rd Rack with Enhanced Drying: With 30% more rack space*, it's easy to load silverware and hard-to-fit utensils like tongs or even measuring cups and spoons to free up space on the other racks. And with 50% less water retention, 3rd rack utensils will come out 2 times drier** thanks to our water-repelling technology.
- Adjustable 2nd Rack: Make room for taller items like water bottles with adjusters that smoothly raise or lower the Adjustable 2nd Rack.
- Cup Shelf: Two 8" Cup Shelves fit five additional cups or bowls to free up extra space in the racks below and conveniently folds down to stay out of the way when not in use.
- 3-Piece Silverware Basket: Gain extra space in the lower rack for casserole dishes and large pans by moving or separating the 3-piece silverware basket.
- Leak Identification System: Helps detect most types of leaks. If the system detects a problem, a light will flash on the front of the dishwasher to alert you, and the dishwasher will proceed to drain water from the tub.*
- Triple Filtration Wash System: Keep dishes clear of rinsed food particles with a Triple Filtration Wash System that uses a coarse filter to catch large soils, a fine filter to catch medium soils and a micro-fine filter to catch small soils between wash stages.
- Cycle Status Indicator: The status indicator light glows blue while your dishwasher is running, red when drying and white when the cycle is complete, so there's no need to guess when your dishes will be ready.
- Optional Water Softener* *Salt sold separately.: The built-in Optional Water Softener system helps reduce streaking and hard water stains for a more efficient clean. If you have hard water, simply switch the system on and refill the softener salt container as needed to prevent buildup and optimize performance.
- 14 Place Settings: Holds up to 14 place settings, including 14 dinner plates, salad plates, saucers, bowls, cups, glasses, knives, dinner forks, salad forks, small spoons and large spoons.
- Extended Dry Option: The Extended Dry option uses elevated water temperature during the final rinse to help with drying the dishes.
- Extended Soak Cycle: Presoak and wash in one cycle so stuck-on food dissolves away without any extra steps.
- Heavy Cycle: Extra cycle time and water take care of heavily soiled messes and hard-to-clean dishes.

Depth: 22.625 in

Dan's Appliance

- Sensor Cycle: Automatically get the right wash and dry settings for each load with two sensors that measure temperature and soil level during prewash and the wash cycle.
- Normal Cycle: Use the Normal Cycle for normal amounts of food soil to clean up leftover messes from your day-to-day meals.
- Quick Wash Cycle: Clean dishes fast with a cycle that thoroughly takes care of plates, pans and glasses when you need them done in a hurry.
- High Temperature Wash Option: High Temperature Wash Option raises the water temperature to help remove stubborn grease and food grime.
- Sani Rinse Option: Whirlpool® Dishwashers with the Sani Rinse Option are certified to eliminate 99.999% of food soil bacteria and reach a final rinse temperature greater than 150°F to sanitize dishes.
- Delay Start: Delay the start of the cycle up to 24 hours to make sure dishes are clean and dry when you need them.
- ENERGY STAR® Certified: ENERGY STAR® Certified models exceed government standards to help save money on your utility bills.
- Straw Caddy *Sold separately: Securely clean straws, chopsticks and other slim utensils in the Straw Caddy*, designed with smaller openings along the bottom that let water through but keep everything in place.
