4.5 cu. ft. Smart Front Load ENERGY STAR® Washer with FreshFlow™ Vent System

This front load washer has a trio of freshness features with The FreshFlow™ Vent System. It's the first fan-powered system with antimicrobial protection designed to help keep your clothes and washer fresh. The FanFresh® Option keeps clothes fresh in the washer. The Dry Drum Cycle reduces excess moistures in the drum and door. And the Antimicrobial rubber seal helps prevent the growth of odor-causing bacteria.

Features:

- FreshFlow™ Vent System: The FreshFlow™ Vent System is a trio of freshness features that helps keep your clothes and washer fresh. It's the first fan-powered system with the FanFresh® Option, Dry Drum Cycle, and Antimicrobial Gasket.
- Dry Drum Cycle: After you take the clothes out, close your washer door and select the Dry Drum Cycle. A powerful fan reduces excess moisture from the drum, rubber gasket and door.
- FanFresh® Option: Keep your clothes fresh in the washer after a cycle. The FanFresh® Option uses a built-in fan and periodic tumbling to keep your just-washed clothes fresh until they're ready for the dryer, using less energy than you would re-washing your clothes.*
- Antimicrobial Protection: Antimicrobial protection on the rubber seal helps keep your washer fresh by preventing the growth of odor-causing bacteria and mold.
- Intelligent Wash: Simplify your laundry routine with intelligent wash technology. It uses sensors to detect load size and fabric type, then automatically adjusts water levels, temperature, and wash actions for ideal fabric care and efficient cleaning performance.
- Quick Wash & Dry: Finish laundry in less than 1 hour by pairing the 25 minute Quick Wash cycle with the 30 minute timed dry.* Experience the ultimate time-saving duo for hassle-free laundry days.
- Quick Wash Cycle: Save time in the laundry room and wash a full-sized load fast with the 25 minute Quick Wash Cycle.*
- 4.5 cu. ft. Capacity: Get enough space to handle larger loads with 4.5 Cu. Ft. Capacity.
- Smart Features with Whirlpool® App: Be in control and stay connected from anywhere. The Whirlpool® App lets you start, pause, track progress and receive notifications when you're away, so you can manage laundry day right from your smartphone.*
- Cycle Notification: Stay on top of your laundry with cycle notifications to ensure finished loads aren't left behind.*
- Stain Guide: Get step-by-step instructions based on your fabric type in the Stain Guide to take on everyday stains like coffee, grass, mud and more.*
- Voice Control: Control your smart washer or dryer hands-free with simple voice commands using a voice-enabled device.*
- Family Share: Easily add family members to your Household in the Whirlpool® App, allowing shared access to all the connected Whirlpool® appliances associated with your account. Now, anyone can start the machine, receive notifications, and create their favorite cycles right from the app.*
- Specialty Cycles: Use the Whirlpool® app to get access to additional cycles not available directly on your appliance, including cycles designed for activewear, jeans, swimwear and more.*
- Favorite Cycles: Pin and save up to 10 favorite cycles in the app for easy access right from the home screen.*
- Custom Cycles: Design a custom cycle that fits your needs and save it directly to your machine.*
- ENERGY STAR® Certified: ENERGY STAR® certified models exceed government standards to help conserve natural resources and save money on your utility bills.
- Sanitize Cycle: The Sanitize cycle uses increased water temperature to eliminate 99.9% of common household bacteria.*
- Cold Wash Cycle: The Cold Wash Cycle adjusts wash actions and time to help protect fabrics, while using cold water to save up to 90% of energy.*
- Pump Access: Easily access the drain pump for more convenient cleaning and maintenance.

Dan's Appliance

- Pedestals: Raise your washer for easier loading and unloading. Optional laundry pedestals also provide space-saving storage for detergent, fabric softener and other supplies.*
- Stackable: Make the most of your space with the option to stack your appliances vertically, using the available stacking kit.
- Clean Washer with affresh® Cycle: Run the Clean Washer with affresh® Cycle every 30 washes with an affresh® washing machine cleaner tablet or liquid chlorine bleach to thoroughly clean the inside of your washer.
- Add Garment: Last minute items? Pause the washer, open the door and add any items early in the wash cycle.
- 33" Closet-Depth Fit: Get a space-saving design with closet-depth fit that allows for more flexible installation in your laundry space.*
- Presoak Option: The Presoak option lets you skip soaking outside of the washer. Extra time is automatically added in the washer before the wash cycle starts.
- Steam Clean: Get help removing everyday stains with the Steam Clean Option, which gets deep into fabrics with increased wash action and heat.
- An American Company for Over 100 Years: Whirlpool Corporation started in 1911 as a small company in Benton Harbor, Michigan. Today we are a global home appliance business selling products around the world. We are proud of our American heritage and ingenuity that have driven innovation for over 100 years
