7.0 cu. ft. Gas Dryer with Adaptive Dry and Wrinkle Shield™ option - Vented Top Load Matching

Choose how you handle each hamper with the Whirlpool® Gas Dryer with Adaptive Dry. This dryer has a built in sensor that measures temperature levels to help prevent over drying and automatically stop the cycle when the load is dry. Wrinkle Shield™ option minimizes wrinkles with continued tumbling after the cycle ends, and Quick Dry allows you to complete small loads in less time.

Features:

- Adaptive Dry: Adaptive Dry uses 1 built-in sensor to measure temperature levels to help prevent overdrying and automatically stop the cycle when the load is dry.
- Wrinkle Shield™ option: Minimize wrinkles from setting into clean, dry fabrics with the Wrinkle Shield™ option that keeps clothes tumbling for up to 150 minutes after the cycle ends or until you open the door.
- Quick Dry: Get laundry done fast with a Quick Dry Cycle that takes less than 30 minutes for small loads.*
- 7.0 cu. ft. capacity: With a 7.0 cu. ft. capacity dryer drum, there's plenty of room to easily handle large loads and bulky items.
- Check Vent: Check Vent indicates when the outdoor home vent needs to be cleaned to ensure optimal air flow and drying performance
- Wrinkle Control: The Wrinkle Control Cycle helps to minimize wrinkles by using lower temperatures during the cycle, then activating the Wrinkle Shield™ Option for continued tumbling after the cycle ends.
- Interior light: See every item in the dryer with the interior light.
- Hamper Door: Easily transfer loads from the washer to the dryer and from the dryer to the laundry basket without worrying about clean clothes falling on the floor with this wide-opening door.
- Air Only Cycle: The Air Only Cycle is great for airing, refreshing and loosening up delicate loads without heat to reduce wrinkles.
- Temperature Selection: Choose the drying temperature that fits your fabric care needs, Extra Low, Low, Medium, and High. For a no heat option choose the Air Only cycle.
- End of Cycle Signal: Know when your cycle is finished with an end of cycle buzzer.
- Folding Station: A sleek, modern flat-top design transforms the top of your dryer into a folding station or zone for storing all your detergent and laundry care needs.
- An American Company for Over 100 Years: Whirlpool Corporation started in 1911 as a small company in Benton Harbor, Michigan. Today we are a global home appliance business selling products around the world. We are proud of our American heritage and ingenuity that have driven innovation for over 100 years.
