Air Fry Over-the-Range Microwave with Advanced Sensing Technology

Help prevent microwave splatters with Splatter Control, which turns down power levels if food heats too quickly. Air Fry Mode crisps food, while Easy Melt monitors the temperature of butter and more to make melting simple. Thaw foods automatically with the Auto Defrost Sensor and elevate your kitchen's style with a flush mount microwave designed* to blend in with cabinets.

Features:

- **Splatter Control:** Splatter Control uses advanced sensing technology to detect the temperature of food and automatically turns down the power level if food is heating too quickly, so you can stay a step ahead and help skip the mess.
- **Air Fry Mode:** Air Fry Mode gives you the flexibility of a microwave and air fryer in one appliance to free up counter space. You can air fry chicken nuggets, wings, fries and more in the included Dishwasher-Safe Air Fry Basket to get crispy results at home.
- **Easy Melt:** Melt without the guesswork thanks to sensors that automatically monitor the temperature of foods for you, so you can easily melt ingredients like chocolate, butter and more while taking on other tasks.
- **Auto Defrost Sensor:** Spend less time waiting for foods to thaw with the Auto Defrost Sensor. Advanced sensing technology automatically adjusts the power levels of your microwave while defrosting, so you can get an ideal thaw for frozen foods.
- **Roast Mode:** Roast Mode helps you give chicken, vegetables and more a crunchy, caramelized outer layer directly in the microwave, so you don't have to use the oven. Convection cooking helps circulate hot air throughout the microwave, so your family's favorites get a crisp cook.
- **Grill Mode:** Grill meat and vegetables in your microwave with Grill Mode. The Air Fry Basket allows direct heat to sear the outside of your food, creating a nice crust and flavor.
- **Smart Oven:** When you're busy in another room, use your smartphone to monitor cycle progress, so you're ready to eat when dinner's done.*
- **Flush Built-In Design*** *When installed in standard cabinet depth 12-3/4-in: Elevate your kitchen with style that stands out and a microwave that fits in thanks to the Flush Built-In Design*. When closed, the door sits flush with standard depth cabinets for a sleek, seamless look.
- **Flush Built-In Design*** *When installed in standard cabinet depth 12-3/4-in: Elevate your kitchen with style that stands out and a microwave that fits in thanks to the Flush Built-In Design*. When closed, the door sits flush with standard depth cabinets for a sleek, seamless look.
- **Hidden Venting:** Get effective ventilation and a smooth, easy-to-clean surface with Hidden Venting. The vent activates while you're cooking and then retracts when no longer needed.
- **Accessory Tracks:** Easily add wire cooking racks and other accessories to the inside of your microwave with Accessory Tracks, which help elevate items so hot air can circulate around food.
- **Adjustable LED Cooktop Lighting:** Keep an eye on what's cooking below the microwave or keep a nightlight on in the kitchen with cooktop lights that feature two levels of brightness.
- **Dishwasher-Safe Grease Filters:** Help trap unwanted grease with a filter that can be removed and placed in the dishwasher for simple, hands-free cleaning.
- **900-Watt Cooking Power:** Get quick cooking with 900 watts of cooking power.
- **Steam Clean:** Add a bowl of water to the microwave and press Steam Clean to help lift splatters, then wipe them away for a simple clean.
- **CleanRelease® Non-Stick Interior:** Help prevent spills from sticking with the CleanRelease® Non-Stick Interior, which lets you easily clean up with the simple wipe of a damp cloth.
- **Tap-to-Open Door:** Keep dinner moving with a door that can open with the simple tap of a wrist or elbow, so you can access the microwave without putting dishes down.
- **Add 30 Seconds Option:** Quickly set the microwave timer to 30 seconds or add it to already in-progress cooking time with the touch of a button.
- **Control Lock Mode:** Turn on Control Lock Mode to avoid unintentional use or
