Model #: WRB543CMJZ

24-inch Wide Garage-Ready Bottom-Freezer Refrigerator - 12.9 cu. ft.

This garage-ready bottom mount refrigerator offers flexible storage solutions to fit your family's needs from drinks and snacks, to extra storage space for staples. Designed to withstand a range of temperatures so you can place it where you want it.

Features:

- Garage Ready: Designed with an electronic damper to withstand a range of temperatures from 38 - 110°F so you can place it where you want it.
- Flexi-Slide™ bins: Make space for tall items with the bin that quickly and easily moves side to side for convenient storage options.
- Flexi-Slide™ bins: Make space for tall condiments and wine bottles in the door with bins that quickly and easily slide up or down, even when fully loaded.
- Fast Drink option: Chill drinks fast in the freezer. A helpful tone will remind you after 30 minutes so you can grab properly chilled drinks when you need them, even for last-minute guests.
- Fast Cool option: Quickly lower the refrigerator temperature with the push of a button when you need to rapidly cool freshly bought groceries or other foods.
- TotalCoverage cooling: Keep shelves cold with multi-flow vents that direct fresh, chilled air throughout the refrigerator with TotalCoverage cooling.
- Auto hibernate mode: This technology adjusts the temperature inside the refrigerator based on how often the door is opened so that it operates efficiently while you're away.
- Deli drawer: Store plenty of meat and cheese with a deli drawer.
- Frameless glass shelves: Store more items on each shelf with wall-to-wall frameless glass shelves in the fridge and freezer, which offer greater storage flexibility.
- Large freezer drawer: With ample room for frozen meals or even a frozen turkey, enjoy more meal flexibility with a large freezer drawer.
- Gallon door bin: Free up shelf space with a gallon door bin that fits items like a 2-liter soda bottle or gallon of milk, giving you flexibility when and where you need it.
- Exterior digital temperature controls: Easily adjust the temperature without opening the refrigerator door with digital temperature controls that are as easy to clean as they are to use.
- LED interior lighting: Keep food looking as good as it tastes. Light is cast inside the refrigerator so food looks like it's supposed to.
- Adaptive defrost: Adaptive defrost automatically monitors the freezer environment and runs the cycle only when necessary.
- Control Lock mode: Easily avoid unintended use by holding down the control lock button for 3 seconds to lock the refrigerator controls.
- Reversible doors: Access food from either direction with doors that can hinge on the right or left.
- Reversible doors: Access food from either direction with doors that can hinge on the right or left.
