Model #: WRS555SIHZ

36-inch Wide Side-by-Side Refrigerator - 25 cu. ft.

Purposefully-designed spaces help you maximize your storage in this side-by-side refrigerator. Get the room you need, even if it's just an inch, with the Infinity Slide shelf. Easily store pizzas upright with the Pizza Pocket in the side-by-side refrigerator. The deli drawer refrigerator gives you plenty of space to store meat and cheese, too.

Features:

- Infinity Slide Shelf: Put small items on the sides and large, high-traffic items in the center with an adjustable center pane that slides back and stops at any point to give you the room you need, even if it's just an inch, so you can fit and find it all.
- Pizza Pocket: Easily store frozen pizzas upright without trying to fit them on flat freezer shelves. When the last of the frozen pizza is gone, this adjustable shelf can be folded down so you can store and still find smaller frozen items.
- Can Caddy: Free up shelf space and get more flexibility using this in-door can caddy that holds either cans or bottles.
- In-Door-Ice® Storage: Get two extra shelves in the freezer with an ice bin that's been moved to the door.
- Frameless Glass Shelves: Store more items on each shelf with wall-to-wall frameless glass shelves, which offer greater storage flexibility.
- Deli Drawer: Store plenty of meat and cheese with a deli drawer.
- Adjustable Gallon Door Bins: Move these adjustable bins anywhere in the door for increased loading flexibility when and where you need it.
- LED Interior Lighting: Keep food looking as good as it tastes. Light is cast inside the refrigerator so food looks like it's supposed to.
- Exterior Ice and Water Dispenser with EveryDrop™ Water Filtration: Access fresh filtered water and ice without ever opening the refrigerator door using dual pad dispensers.
- Tap Touch Controls: Clean these controls as easily as you use them.
- Hidden Hinges: Get a seamless look with door hinges that stay out of sight.
- Electronic Temperature Controls: Choose the ideal temperature for whatever foods you're storing with convenient, up-front controls.
- Fingerprint Resistant: Resists fingerprints and smudges with steel that easily wipes clean. Available in Black Stainless Finish and Stainless Finish colors.
- Factory-installed ice maker: A factory-installed ice maker churns out all the ice cubes you need, all year round.
- Factory-Installed Icemaker: Don't worry about refilling ice trays with this pre-installed icemaker that makes sure you always have plenty of ice on hand.
- Adaptive Defrost: Adaptive defrost automatically monitors the freezer environment and runs the cycle only when necessary.
- LED Dispenser Night-Light: Easily find water and ice at night when you turn on the dispenser night-light.
- Humidity-Controlled Crispers: Store fruits and vegetables in their ideal environment.
